DEFEATS UNION CITY.

A small but enthusiastic crowd saw the Fulton High School team defeat the Union City Training School baseball nine 10 to 4 Saturday afternoon, making the second victory for the local team in two days. The contest was interesting from the start to the finish, filled with tense and exciting moments. It was a great victory for the local team. The Union City boys, seemingly invincible, rated as one of the best prep school teams in Western Kentucky and Tennessee, and urged on by their victory over the Jackson High School the day before, invaded local territory confident of taking another game. But disappointment was theirs when Fulton put up a game fight.—Fulton Leader.

A STEPPING-STONE TO GOOD HEALTH

THOUSANDS SUFFER FROM LIVER TROUBLE AND NEVER KNOW IT.

Many a man and woman goes through life working along the line of greater resistance when they could take the easy path of health and happiness. Many a slightly disordered liver is the cause of lack of energy and financial loss.

In olden times calomel used to shock many a liver into its natural activities and improve the health. But there were many sad cases of salivation and even death from its use.

Modern day medical science has eliminated calomel by finding a better remedy in the form of GRIGSBY'S LIVER-LAX, which does all the work of calomel without its disagreeable effects or danger.

It is purely vegetable and sold under a strict guarantee or money refunded.

The price, 50c and \$1.00 a bottle at H. M. Oliver's. Likeness of L. K. Grigsby on every bottle for your and the druggist's protection. advt
