HEED THE WARNING.

MANY UNION CITY PEOPLE HAVE DONE SO.

When the kidneys are weak they give unmistakable warnings that should not be ignored. By examining the urine and treating the kidneys upon the first sign of disorder, many days of suffering may be saved. Weak kidneys usually expel a dark, ill-smelling urine, full of "brickdust" sediment and painful in passage. Sluggish kidneys often cause a dull pain in the small of the back, headache, dizzy spells, tired, languid feelings and frequent rheumatic twinges.

Doan's Kidney Pills are for the kidneys only; they help weak kidneys to rid the blood of uric poison. There is no better recommended remedy.

Read the statement that follows: Mrs. Emma Fonville, 118 Oxford street, Martin, Tenn., says: "I can recommend Doan's Kidney Pills highly. I used them for kidney weakness and they benefited me."

The above is not an isolated case. Mrs. Fonville is only one of many in this vicinity who have gratefully endorsed Doan's. If your back aches—if your kidneys bother you, don't simply ask for a kidney remedy—ask DISTINCTLY for DOAN'S KIDNEY PILLS, the same that Mrs. Fonville had. Fifty cents at all stores. Soda Fountain Business Change.

My lease having expired on the Red Cross Fountain, I have decided to give my entire attention to the manufacture of ice cream for the wholesale and retail trade. The Red Cross Drug Store will have the management of the fountain department again, and I will operate a modern equipped ice cream factory in the rear of the drug store and can be reached over the drug store phone, 100. Place your ice cream orders in the same manner as in the past, and I will give them prompt attention. The line that I have to offer you is as follows: Ice cream and sherbet—my own make, none better. Silver Slice Cake. Ask your neighbors about them. Punch, any kind (bowl, ladle and glasses furnished).

Different specialties will be offered through the season, and I ask you to figure with me when in the market for refreshments for any occasion.

Thanking you for your past patronage, which I assure you was highly appreciated, and soliciting your future demands, I am, Respectfully,
H. M. DEGRAFFENHEID.

Amusements.

The Earl Hawk Big Stock Co. opens a week's engagement in Union City under their mammoth tent theatre on Ligon lot, Main and Division streets, commencing Monday, May 11, presenting a repertoire of the highest class comedies and dramas. An entirely new departure in the line of tent shows, being the first attraction to play this city that is presenting the very latest and up-to-date plays.

The company is composed of a carefully selected and competent cast and what may prove of an exceptional interest to the residents of Union City is that Mr. and Mrs. Fred Hamilton, residents of this city, are newly acquired members; this being their first opportunity of playing their home city, and their former neighbors will no doubt be delighted at the opportunity of seeing them in action.

Vaudeville and up-to-date specialties are offered between acts, making performances continuous, with no waits or after-shows, making it a big double

offering for the small price of 10 and 20 cents.

Ladies will be admitted free Monday night when accompanied by anyone holding a paid 20c ticket. Read announcement on another page.
