R. L. Harper, of Rives, was a business visitor in the city Saturday. While here he told us of a rather unusual burglary. Some person entered his store Friday night, and, selecting a pair of shoes, left without disturbing anything else at all, so far as could be found, and more remarkable still the burglar carefully removed a pane of glass to effect an entrance and when his exit was made he just as carefully replaced the glass. Some gentleman burglar, this.

The Commercial regrets very much indeed having failed to report the fact last week that, after a two weeks illness of pneumonia, Miss Sara Agnew, daughter of Mr. and Mrs. S. E. Agnew, of the vicinity of Rives, was recovering very rapidly, and, from further intelligence of the young lady, is about fully restored to her normal good health. She was under the care of Dr. J. B. Adkerson, and her illness, of a very serious nature, caused the parents to show their appreciation in a card of thanks for the physician's efforts in restoring the young lady to health, also for the kindness of

the neighbors and friends for their assistance. We desire to do all that is possible in rectifying a mistake, although unintentionally made, that was hardly excusable, and hope to be reinstated to the good will of these kind people.

Season Tickets for Our Forthcoming Redpath Chautauqua

In arranging to inaugurate this chautauqua this year the local committee bought 1,000 \$2.50 season tickets, which will be sold, while they last, by them for \$2.00 each.

When these tickets are exhausted no season tickets thereafter can be had for less than \$2.50. Also, the price of season tickets will not be reduced from the first day to the close of the chautauqua.

The single admissions to the different sessions of this chautauqua aggregate more than \$8.00, so it will pay you to buy a season ticket even after the program is half completed. For the single admissions to the respective entertainments see program. Season tickets are non-transferable except within the owner's family.

CHILDREN'S TICKETS admit children aged six to fourteen years inclusive. All children are admitted to the children's work free.
