Include the BEST LUMBER

in the plans you are making of that house. It may cost you a little more at the start, it certainly will cost you less in the end. Ask any experienced builder if we are not right. Ask him also if it does not pay splendidly to use such lumber as we sell. Upon his answer we base our request for your order.

OF COURSE IT'S WARM:

But get a Cool Suit and be comfortable

There's no longer excuse for any man to swelter all Summer. The days are gone by when cool clothes were discountenanced by good dressers.

Today you can appear anywhere in perfect taste and in complete comfort in a cool suit of Mohair or of Palm Beach Cloth. We're ready to fit you, with a superb line of cool clothes from the famous shops of "R.W."

In Mohairs there are blacks and blues and steel greys, and some fancy patterns and mixtures. In Palm Beach Cloth there are plain tans, olives, greys and blues—also mixtures and striped designs. You can get your size in either Sack or Norfolk.

Come in, get fitted with the cool suit of your choice and be comfortable.

Ready for To-morrow?
Horses digest their feed less thoroughly than other farm animals. In order to insure thorough digestion of all the food eaten, and to make your horses readier for next day's work, add to their evening feed a teaspoonful of—
Bee Dee STOCK MEDICINE
It will lessen your feed bills. It will increase your profits.
I am using Bee Dee STOCK MEDICINE with my horses regularly and find it a saving proposition on feed. It also makes them healthy, thriving and clean.
