

**Hickman Items.**

Mack Reid and Dew Henry were in Union City Sunday to see about securing the Moose Band for the Fourth of July.

Henry Elliott and Miss Lucy Clark, of Clinton, were married at Fulton Sunday.

Misses Frankye Peavler and Homer Green spent Tuesday in Union City.

Miss Ethel Crosson and Hill Peavler, two popular young people of this city, were united in marriage Sunday evening by Rev. R. M. Walker, of the First Methodist Church. The wedding occurred at the residence of Rev. Walker, and the couple were accompanied by their friends, Miss Florence Chidester and Bun Hackett.

Our Union City friends showed a most generous and commendable spirit in calling off their celebration in favor of Hickman, especially in view of the fact that they had gone to considerable expense in advertising and getting up their amusement program. Our committee was not only received most cordially but assured by the gentlemen of Union City's committee that they would be with us—their wives, sweethearts and friends. Welcome to Hickman, neighbors; we'll do our best to show you a good time. In turn, the Young Men's Business League, who are in charge of the Hickman celebration, will boost your chautauqua and fair. Such relations—such good fellowship—is not only pleasant but profitable to both of us. As an evidence of the Courier's appreciation of the courtesy extended to us, we are willing to carry a line of advertising for both events without charge. Courier.

Practically all of our time is devoted to farm insurance and the sale of farm land. See us before you trade or sell.

**HOW WOMEN AVOID OPERATIONS**

By Taking Lydia E. Pinkham's Vegetable Compound.

Cleveland, Ohio.—"My left side pained me so for several years that I expected to have to undergo an operation, but the first bottle I took of Lydia E. Pinkham's Vegetable Compound relieved me of the pains in my side and I continued its use until I became regular and free from pains. I had asked several doctors if there was anything I could take to help me and they said there was nothing that they knew of. I am thankful for such a good medicine and will always give it the highest praise."  
—Mrs. C. H. GERRITT, 7305 Madison Ave., Cleveland, Ohio.

Hanover, Pa.—"I suffered from female trouble and the pains were so bad at times that I could not sit down. The doctor advised a severe operation but my husband got me Lydia E. Pinkham's Vegetable Compound and I experienced great relief in a short time. Now I feel like a new person and can do a hard day's work and not mind it. What joy and happiness it is to be well once more. I am always ready and willing to speak a good word for the Compound."  
—Mrs. ADA WILT, 196 Stock St., Hanover, Pa.

If there are any complications you do not understand write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

**SAVES DAUGHTER**

Advice of Mother no Doubt Prevents Daughter's Untimely End.

Ready, Ky.—"I was not able to do anything for nearly six months," writes Mrs. Laura Bratcher, of this place, "and was down in bed for three months."

"I cannot tell you how I suffered with my head, and with nervousness and womanly troubles."

"Our family doctor told my husband he could not do me any good, and he had to give it up. We tried another doctor, but he did not help me."

"At last, my mother advised me to take Cardui, the woman's tonic. I thought it was no use for I was nearly dead and nothing seemed to do me any good. But I took eleven bottles, and now I am able to do all of my work and my own washing."

"I think Cardui is the best medicine in the world. My weight has increased, and I look the picture of health."

"If you suffer from any of the ailments peculiar to women, get a bottle of Cardui today. Delay is dangerous. We know it will help you, for it has helped so many thousands of other weak women in the past 50 years."

**Elks' Dance.**

On last Thursday evening the Elks' Hall was beautifully decorated with artistically arranged cut and pot flowers and ferns. From every point and corner of the beautiful room Chautauqua pennants floated on the breeze from the generously distributed electric fans. In one corner of the room a large white banner with B. P. O. in large purple written across its face partly hid the band composed of mixed talent from Dyersburg and Union City.

Motoring parties from Fulton, Hickman and Martin were among the jolly crowd assembled there.

At a late hour refreshments were served and all present enjoyed a most delightful evening.

**Money Ready for Southern Banks.**

Washington, June 15.—Secretary McAdoo again stands ready to lend a hand to Western and Southern banks in case they need money for crop moving purposes. The plan of lending government money to the banks in agricultural districts for use during crop moving season last year was so successful that it will be adopted this year if the necessity arises.

Money loaned by the Treasury Department last year was secured mostly by commercial paper, and all the borrowed money had been returned to the treasury by April 1, together with interest amounting to \$260,000. The total amount loaned to banks was \$37,886,000. It went to 193 banks in 62 cities of 28 States.

**The Wheat Crop.**

Wheat cutting in Obion County is about finished and threshing will be started this week. Ed McAllister, one of the best of farmers, says the crop will not be large, but is uniform, and about the same in all sections and everybody will make good yields. He thinks the average will probably be below 20 bushels per acre. Says reports indicate that the price at the opening will be around 75 cents, and that his crop goes to the elevator for storage. This has been done for several years and during that time he has not been compelled to accept less than \$1.00 for his crop.

**Helps With the Lessons**

At night when the children gather around the sitting-room table studying their lessons for the next day, the telephone often rings. A little neighbor a mile down the road wants help from his school-mates. Children as well as grown-ups get pleasure and profit from the farm telephone. Do you know how little this service costs and how valuable it is?

**Strikes Gas**

We are in receipt of the following communication from L. L. Pair:

"We have a strange pump on J. D. Leech's place. Will Marshall and John Burch drove a pump here on this place 64 feet deep, and it has enough gas to force the pump to work same as you would work it by hand. It will pump after priming for about fifteen minutes and will pump three tubs of water and then stop. You can prime it again and it will pump same amount as before. When lighted with a match the gas will burn same as a blow-torch. It is hard to put out; throwing water on doesn't put it out, and two or three men have to fan it with their hats to extinguish the blaze. The blaze runs about three feet high—above the pump, and would soon melt off the pitcher if left burning. Persons desiring to see this well can do so by calling at John Burch's, ten miles west of Hickman."—Hickman Courier.

**RHEUMATISM ARRESTED**

Many people suffer the tortures of lame muscles and stiffened joints because of impurities in the blood, and each succeeding attack seems more acute until rheumatism has invaded the whole system. To arrest rheumatism it is quite as important to improve your general health as to purify your blood, and the cod liver oil in Scott's Emulsion is nature's great blood-maker, while its medicinal nourishment strengthens the organs to expel the impurities and rebuild your strength. Scott's Emulsion is helping thousands every day who could not find other relief. Refuse the alcoholic substitutes.
