Hair Made Beautiful.

Beautiful hair, thick, fluffy, lustrous and absolutely free from dandruff is not so much a gift of nature as a matter of care and proper nourishment. Hair is like a plant—it will not grow healthy and beautiful unless it has attention and proper nourishment.

Parisian Sage, daintily perfumed and easily applied, tones up and invigorates the roots of the hair and furnishes the necessary nourishment to not only save and beautify the hair but also stimulate it to grow long, heavy, soft, fluffy and radiant with life.

When used frequently and rubbed into the scalp, it will simply work wonders. Just one application stops itching head, removes dandruff and cleanses the hair of all dust and excessive oil.

Since Parisian Sage, which can be obtained from Oliver's Red Cross Drug Store or at any drug store, never disappoints, it is no longer necessary for any woman to be humiliated because of thin, streaky, faded, lifeless or unattractive hair.

You've tried the rest, now try the best—Jersey Cream Flour.

Large crowds attended the celebrations at Hickman and Martin. Elaborate programs were put on at both places and the populace for miles and miles around attended. They spoke, they yelled from early morn; walked in dust shoe-mouth deep and smelled the whirlygig spew. This all round us for ten long hours and yet it did not rain.

A CONFESSION

Hopes Her Statement, Made Public, will Help Other Women.

Hines, Ala.—"I must confess," says Mrs. Eula Mae Reid, of this place, "that Cardui, the woman's tonic, has done me a great deal of good."

Before I commenced using Cardui, I would spit up everything I ate. I had a tired, sleepy feeling all the time, and was irregular. I could hardly drag around, and would have severe headaches continuously.

Since taking Cardui, I have entirely quit spitting up what I eat. Everything seems to digest all right, and I have gained 10 pounds in weight."

If you are a victim of any of the numerous ills so common to your sex, it is wrong to suffer.

For half a century, Cardui has been relieving just such ills, as is proven by the thousands of letters, similar to the above, which pour into our office, year by year.

Cardui is successful because it is composed of ingredients which act specifically on the womanly constitution, and helps build the weakened organs back to health and strength.

Cardui has helped others, and will help you, too. Get a bottle today. You won't regret it. Your druggist sells it.

FULTON NEWS.

Isaac Hutchens, of Union City, in an altercation with a negro doctor, shot the colored man in the head, but the skull was so hard, the bullet plowed its way around the negro's skull under the skin without doing much harm. Hutchens left that town and came over here where Officer A. C. McClain, of South Fulton, captured the runaway and carried him back to face the charge filed against him for the shooting. Hutchens is now in jail. If those who violate the laws of the country do not want to be overtaken, they had better stay away from this town, for we have some officers here who will nab them right now.

On Saturday afternoon a house on the farm of C. C. Thomas, near Fulton, was burned. His son, Henry Thomas, was living in the house at the time and practically everything was destroyed. It caught from a flue.

Rev. R. H. Figue informs us that he has arranged for a big tent meeting to be held in the woodland of Little Sam Bard between Boaz Chapel and Pleasant Hill, beginning Aug. 21. Mount Moriah will assist in the preparations and other responsibilities of the meeting. Rev. Pat Davis will do the preaching.
