Fine Corn.

Mr. Harvey Toombs, of Number Three, left a very fine stalk of corn bearing two well matured ears, at the Old National Bank this week. This is somewhat a rarity this year on account of the drouth. Dr. Miles also has a well matured specimen there.

Witness Found.

It is said that the State and the attorneys for Miss Clara Wehman, in the murder case of George Wehman, her father, to be heard at the September term of the Circuit Court, have found Luther Hockett, the negro implicated in the murder, and have him safely locked up in a Kentucky jail. It is alleged that Hockett received some bills, which were afterwards identified as the murdered man's money.

An indictment will be found and the case will be called in September. It may, however, be continued.

NEAR DEATH BY SMOTHERING

But Husband, With Aid of Cardui, Effects Her Deliverance.

Draper, N. C.—Mrs. Helen Dalton, of this place, says: "I suffered for years, with pains in my left side, and would often almost smother to death.

Medicines patched me up for awhile but then I would get worse again. Finally, my husband decided he wanted me to try Cardui, the woman's tonic, so he bought me a bottle and I began using it. It did me more good than all the medicines I had taken.

I have induced many of my friends to try Cardui, and they all say they have been benefited by its use. There never has been, and never will be, a medicine to compare with Cardui. I believe it is a good medicine for all womanly troubles."

For over 50 years, Cardui has been relieving woman's sufferings and building weak women up to health and strength.

If you are a woman, give it a fair trial. It should surely help you, as it has a million others.

Get a bottle of Cardui *to-day*.

WOMAN IN BAD CONDITION

Restored To Health by Lydia E. Pinkham's Vegetable Compound.

Montpelier, Vt. — "We have great faith in your remedies. I was very irregular and was tired and sleepy all the time, would have cold chills, and my hands and feet would bloat. My stomach bothered me, I had pain in my side and a bad headache most of the time. Lydia E. Pinkham's Vegetable Compound has done me lots of good and I now feel fine. I am regular, my stomach is better and my pains have all left me. You can use my name if you like. I am proud of what your remedies have done for me." — Mrs. MARY GAUTHIER, 21 Ridge St., Montpelier, Vt.

An Honest Dependable Medicine

It must be admitted by every fair-minded, intelligent person, that a medicine could not live and grow in popularity for nearly forty years, and to-day hold a record for thousands upon thousands of actual cures, as has Lydia E. Pinkham's Vegetable Compound, without possessing great virtue and actual worth. Such medicines must be looked upon and termed both standard and dependable by every thinking person.

If you have the slightest doubt that Lydia E. Pinkham's Vegetable Compound will help you, write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass., for advice. Your letter will be opened, read and answered by a woman, and held in strict confidence.
