**As a Reward for Victory.**

The Training School football team was given an oyster supper by Mr. Aydelott at Kirkland's last Friday night at 8 o'clock when they returned from Martin with a decidedly victorious score of 20 to 0. This is the second supper the team has enjoyed this year, the other when they won over M. U. S. of Clinton—14 to 7.

A snappier and cleaner game has never been played than the one at Martin with Ferrin. Not a player showed the least inclination to even so much as argue. The home team was well represented by Union City people. The day was an ideal football day, and no injuries were sustained. The late football game has proven to most of us that it is any more dangerous than baseball.

Each individual player did all within his power to win. The U. G. T. S. team was stronger than they have been for good many years. Rankin was the principal star for the home team. He downed two of the three stars of the other team. He evered out of three goals. The by far the best back field out this year. Wright

and Everett at halves, Rankin at full and McConnell at quarter. They each would gain at pleasure and Rankin couldn't be kept away from the ball on the passes. He pulled down three and gained some fifty or sixty yards on all. The line was almost impenetrable. Moss played his first game at right end. He played his part seemingly as he were an old player.

The next game is on the home field against Huntingdon. Everyone at all interested come and help win the game. The financial part has always been wanting at home. Remember the date, Saturday, 3 p. m.

Don't forget the big Thanksgiving game with Paris. A great crowd is expected to see this, the last game of the season.

**HEED THE WARNING.**

MANY UNION CITY PEOPLE HAVE DONE SO.

When the kidneys are weak they give unmistakable warnings that should not be ignored. By examining the urine and treating the kidneys upon the first sign of disorder, many days of suffering may be saved. Weak kidneys usually expel a dark, ill-smelling urine, full of "brick-dust" sediment and painful in passage. Sluggish kidneys often cause a dull pain in the small of the back, headaches, dizzy spells, tired, languid feelings and frequent rheumatic twinges.

Doan's Kidney Pills are for the kidneys only; they help weak kidneys to rid the blood of uric poison. There is no better recommended remedy.

Read the statement that follows: Mrs. Emma Fonville, 118 Oxford street, Martin, Tenn., says: "I can recommend Doan's Kidney Pills highly. I used them for kidney weakness and they benefited me."

The above is not an isolated case. Mrs. Fonville is only one of many in this vicinity who have gratefully endorsed Doan's. If your back aches—if your kidneys bother you, don't simply ask for a kidney remedy—ask distinctly for DOAN'S KIDNEY PILLS, the same that Mrs. Fonville had. Fifty cents all stores. **Good News  
for Women**

Many a woman to-day is suffering untold misery from troubles peculiar to her sex, and in this connection Chiropractic has a message of hope and cheer. If Chiropractic has been more successful in any one group of diseases more than another, it may be well said of women's diseases; troubles usually show marked improvement from the very start of taking of the adjustments, regardless of the length of time that they have existed.

Another point regarding Chiropractic that will interest women is the freedom that they have in consulting a Chiropractor in reference to these troubles, as they do not have to submit to any examination other than the simple baring of the spine so that the adjustment may be given. A kimono or other garment slipped on backwards being the only requisite necessary. This can be done in the strictest privacy by a lady attendant.

**Death of Miss Irene Irvine.**

Miss Irene Irvine, daughter of R. W. Irvine, of the vicinity of Clayton, died Sunday morning, Nov. 1, 1914, at 4:30 a. m., after an illness of over thirty days of typhoid fever. Miss Irvine was 19 years of age and a member of the Baptist Church at Reelfoot. She was some time since a correspondent of this paper and we regarded her as one of our best friends. She was esteemed by hosts of friends as a young lady of graces of heart and character, and her demise brings grief to the family and the community. We tender our kind condolences.

The remains were interred at Antioch, with Rev. Lampkin in charge.
