Business Men's Club.

The Business Men's Club met last Tuesday night at the City Hall and discussed good roads at some length. They voted to invite the representative of the State Highway Association to Union City for the organization of a county unit in this county. The meeting will be held at the convenience of the representative, who will notify Union City in time for an announcement.

The club voted to accept the proposition of the Cumberland Telephone Co., to add the street numbers in the telephone book, and arranged to have the work done right away. J. A. Hassell and G. Schleiter were appointed a committee to look after the work.

The regular annual election of the officers of the club to take place next January the first Tuesday night, J. C. Burdick, J. A. Coble and W. G. Reynolds were appointed a committee to choose

the candidates subject to the action of the club and report.

Mr. Reynolds made a talk outlining a plan for good roads. He advocated the tying of the county seats with hard roads under taxing district system of constructing these roads. However, these are preliminaries which will be hashed out when the organization has been effected.
