TENNESSEE FOLKS TELL HOW THEY

WON FORTUNES IN GOOD HEALTH

Sufferers Tell of Winning Battles Against the Handicap of Disease.

Sick people want to be well in a hurry. A great many, perhaps most all, illnesses have their beginning in derangements of the stomach and digestive tract. Mayr's Wonderful Stomach Remedy starts in at the first dose to put stomach sufferers on the way to health. The first dose proves it. It is taken with success everywhere. Here are the words of two Tennessee people who have taken it: MISS CORA FISHER, 805 Saxon avenue, Memphis—"Have taken your medicine and it worked like a charm—has removed quite a number of gall stones. It does just as you said it would." MRS. W. J. WARD, Sparta, Tenn.—"I can honestly recommend your remedy to all sufferers from constipation and stomach troubles. Indigestion

seems a thing of the past with me." Just such words of appreciation and praise come from stomach sufferers who have been restored in all parts of the country. Mayr's Wonderful Stomach Remedy clears the digestive tract of mucoid accretions and removes poisonous matter. It brings swift relief to sufferers from ailments of the stomach, liver and intestinal disorders. Many declare it has saved them from dangerous operations, and many others are sure that it has saved their lives. We want all people who have chronic stomach trouble or constipation, no matter of how long standing, to try one dose of Mayr's Wonderful Stomach Remedy—one dose will convince you. This is the medicine so many of our people have been taking with surprising results. The most thorough system cleanser ever sold. Mayr's Wonderful Stomach Remedy is now sold here by Oliver's Red Cross Drug Store and by druggists everywhere. advt
