

A Sixty Year Standby

For sixty years Dr. Price's Cream Baking Powder has been the standby of countless housekeepers who have relied upon it for healthful, home-baked food.

Dr. Price's contains no alum or lime phosphate. There is never any question about the absolute purity and healthfulness of the food it raises.

It has stood the test of time. That is why the best informed housewives will use no other.

Neuralgia

There is no need to suffer the annoying, excruciating pain of neuralgia; Sloan's Liniment laid on gently will soothe the aching head like magic. Don't delay, try it at once.

Hear What Others Say
"I have been a sufferer with Neuralgia for several years and have tried different Liniments, but Sloan's Liniment is the best Liniment for Neuralgia on earth. I have tried it successfully; it has never failed."—F. H. Williams, Augusta, Ark.
"Mrs. Ruth C. Claypool, Independence, Mo., writes: 'A friend of ours told us about your Liniment. We have been using it for 13 years and think there is nothing like it. We use it on everything, sore, cuts, burns, bruises, sore throat, headaches and on everything else. We can't get along without it. We think it is the best Liniment made.'"

Baptist Bazaar.

The Ladies Aid of the Baptist Church will have a bazaar at the Home Furniture Co. store Wednesday, Dec. 23, for the benefit of the church, and the friends of the church are especially solicited to aid in the work.

Wiring Post Office.

The Harrison Electric Company, of this city, have been awarded the contract for the electric fixtures and wiring in the new Government post office building in Fulton. This contract is one of the largest and best in the western part of Kentucky and the Union City people are well prepared to do the work.

Benefit Sales.

Bransford & Andrews will set apart 10 per cent of their sales on Dec. 12 for the benefit of the Methodist Church. This is to help the ladies in their work in securing funds for the new church, and they will take a special interest in making that a banner day for the store. The percentage offered is on the regular Hallmark prices, the specially low prices made by that store, and the offering is altogether a free contribution by Bransford & Andrews.

TAX COLLECTOR

74 YEARS OLD

Expected to Resign on Account of Feebleness — Gained Strength and Twenty-four Pounds by Taking Vinol.

Corinth, Miss.:—"I am a city tax collector and seventy-four years of age. I was in a weak, run-down condition so that I became exhausted by every little exertion. My druggist told me about Vinol, and I decided to take it. In a week I noticed considerable improvement; I continued its use and now I have gained twenty pounds in weight, and feel much stronger. I consider Vinol a fine tonic to create strength for old people."—J. A. PRICE, Corinth, Miss.

As one grows old their organs act more slowly and less effectively than in youth, circulation is poor, the blood gets thin, the appetite poor and digestion weak. Vinol, our delicious cod liver and iron tonic, is the ideal strengthener and body builder for old folks because it creates a good healthy appetite, strengthens digestion, enriches the blood, improves circulation and in this natural manner builds up, strengthens and invigorates feeble, run-down, nervous and aged people, and if it does not do all we say, we will pay back your money.

Birthday Dinner.

The seventy-fifth birthday of Mrs. Berry Joyner was celebrated on Wednesday, Dec. 2, with a dinner and a gathering of her relatives and friends at her son-in-law's, Mr. Scott Wiley, at the old Berry Joyner home. The dinner, prepared by her daughter, Mrs. Wiley (one of the best cooks in the county), was one long to be remembered. The gathering of old friends and neighbors was a social feature seldom equaled. Mrs. Joyner is loved by the entire community for her motherly Christian character, and but for rheumatism is in good health.

One particular feature of dinner was the age of the twelve that sat at the first table. They were W. Z. Massengill, Mrs. Callie Cartwright, Mrs. G. S. Joyner, Sr., Mrs. Phillips, Mrs. Ellen Wiley, Mrs. Mary Wade, Mrs. Rida Harper, Mrs. Dr. Harrison, Mrs. Berry Joyner, Mrs. R. H. Joyner, Mr. and Mrs. H. A. Compton—only one under 60 years. One was 61, the other ten were from 69 to 86. An average of the twelve was 71, and aggregate of all 852 years.

Those present, of the children, were: Thos. Joyner and family, of Rives; Mrs. Cartwright and daughter, of Union City, and Mrs. Jack Latimer. The relatives present were: Mrs. Dr. Harrison, Mrs. R. H. Joyner, Mr. and Mrs. W. Z. Massengill, Dr. Bond and mother, Mrs. John Joyner, all of Union City; Mrs. G. S. Joyner, Sr., Glen Joyner, Mrs. Clifford Joyner and daughter, Mrs. Sid Wiley and daughter. Others present were: Mrs. Wiley, Mrs. Wade, Mrs. Harper, Miss Campbell of Kentucky, Wade Wiley, Miss Ruth Wiley, Mr. and Mrs. H. A. Compton and Dr. Charley Fulton.

Italy In the Balance.

When Italy refused to be drawn into the war as a party to the Triple Alliance her action made the probable duration of the war less than it would otherwise have been. If she should now go into the war it would be upon the side of the Allies. The effect would be to decrease the period of fighting, as it is not probable that Italy's entrance would draw the fire of any nation not now engaged and inclined toward the German-Austrian cause. But if the Italians can keep out of a war which they are not in a position, financially, to prosecute without great hardship, they will not be internationally blamed for any prolongation of the fighting that may be attributed to their maintenance of neutrality.

The tragedy is great enough as it stands. It is to be hoped that no other power will become a party to the fighting now in progress. Italy would lose everything if the Germans should win without her being involved. Prussian might would never forget or forgive her refusal to remain in the Triple Alliance, and German Imperialism would make the Italian Peninsula useful as a part of its Mediterranean programme. Italy, in the event of Germany's scoring success, would be crushed. The Allies feel, quite naturally, that inasmuch as Italy's future depends upon their defeating the Germans and Austrians they have a moral right to call upon her to lend a hand. But the claim is hardly better founded than would be a similar one against any country which might lie in the course of the German advance if the Greater Germany of Maximilian Harden's and Kaiser Wilhelm's dreams should come into existence as a result of the present war.

Italy's right to remain neutral will not be challenged by disinterested observers. Humane observers will hope that the titanic proportions of the conflict will not be increased by the participation of the Italian army and navy.—Courier-Journal.

Death of Chas. Morris.

Charles Morris, one of the well known citizens of Number Three, died Sunday, Nov. 29, after an illness of several weeks of typhoid fever. Mr. Morris was about thirty years of age and leaves a widow and two small children. He was a member of the Methodist Church at Antioch, the I. O. O. F. and W. O. W. orders. He is also survived by his mother, who, with the bereaved family, deeply deploras his death. Funeral services were conducted by Rev. Lamkin and the remains were interred with the honors of the W. O. W. camp.

Poor Blood An Effect

"N. R. A. writes: 'I am 45 and do not have enough blood. Will elixir of iron, quinine and strychnine be of any use? What dose should be taken and how often? What would you recommend as a blood builder and tonic?'

REPLY

"Elixir of iron, quinine and strychnine constitutes a good general blood tonic. But poor blood is an effect. Generally it is possible to find the cause. It is good judgment to treat causes, not effects. Too many people dope with iron tonic year in and year out, when what they need to do to remove the cause would not be difficult to discover or remedy.

Sometimes it is hookworm, sometimes constipation, sometimes indoor life, sometimes stomach ulcer, sometimes cancer, sometimes bad eating habits."

The above article originated with Dr. W. A. Evans, health specialist on the staff of the Chicago Tribune. Dr. Evans, in the reply he makes N. R. A., is a CHIROPRACTOR all the way through the first paragraph of his answer. He turns "doctor" again, however, in the last paragraph, where he looks to hookworms instead of SUBLUXATIONS as the "cause."

You may glide through the dark with much skill
But your efforts fall flat
And your strategy all counts for nil
When you step on the cat.

Deafness Cannot Be Cured
by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; hence cures of deafness caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.
We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.
