A CONFESSION

**Hopes Her Statement, Made Public,
will Help Other Women.**

Hines, Ala.—"I must confess," says Mrs. Eula Mae Reid, of this place, "that Cardui, the woman's tonic, has done me a great deal of good."

Before I commenced using Cardui, I would spit up everything I ate. I had a tired, sleepy feeling all the time, and was irregular. I could hardly drag around, and would have severe headaches continuously.

Since taking Cardui, I have entirely quit spitting up what I eat. Everything seems to digest all right, and I have gained 10 pounds in weight.

If you are a victim of any of the numerous ills so common to your sex, it is wrong to suffer.

For half a century, Cardui has been relieving just such ills, as is proven by the thousands of letters, similar to the above, which pour into our office, year by year.

Cardui is successful because it is composed of ingredients which act specifically on the womanly constitution, and helps build the weakened organs back to health and strength.

Cardui has helped others, and will help you, too. Get a bottle today. You won't regret it. Your druggist sells it.

You want your pigs to eat as much as possible when you fatten them. Give them a great variety of feed, keep the appetite keen and the digestion in good order, and you will obtain the desired result; especially if you mix with the grain ration a dose of

Bee Dee STOCK MEDICINE

Whets the appetite—Helps digestion.

I put some scrubby-looking hogs in the pen to fatten and gave them Bee Dee STOCK MEDICINE in their feed. I soon had fine, healthy-looking hogs, which netted me over 500 pounds.

Death of G. M. Herring.

The death of G. M. (Fope) Herring, a well known citizen of the vicinity of Union City, took place at his residence on the evening of Monday, Dec. 28, 1914, at 7 o'clock, of an illness resulting from a general decline.

Gus Montgomery Herring was the son of Major James Herring, born near Clarksville, Tenn., and came with his parents to Obion County at the age of 10 years. Deceased was nearly seventy years of age. At the age of 16 he entered the Confederate service and served throughout the four years of the war, being mustered out at the age of 20.

At the age of 25 years Mr. Herring was united in marriage to Miss Elizabeth Coble, of Kentucky, and the survivors of the family are the widow and three children, viz: Mrs. T. T. Swayne, Mrs. W. M. Hubbard and J. B. Herring, of Moore, Okla.

The family settled in Obion County at the old homestead where Mr. Herring's death took place and where they have lived since 1855.

Deceased was a man of many good parts. He was not conspicuous in public affairs, but quietly and conscientiously performed his duty and shared in all things that were really useful and worthy. He had an abiding faith in the moral standards of mankind and in the immortality of the soul. He was esteemed by his neighbors and friends as a citizen, and his demise leaves a bereaved family and a community in sorrow.

Funeral services were conducted at the residence yesterday by Mr. Miller, of Fulton, an Episcopal minister, and the remains were interred at the City Cemetery.

Trenton, Tenn., Dec. 28.—"Not guilty" was the verdict returned this morning at 9:30 o'clock by the jury in the case of James A. Woman Cures Horse Colic.

The men were away as usual. The horse was bad. A lone woman could not "drench" in the old way. She called up a neighbor and her men were away—but: "We have Farris' Colic Remedy that you drop on the horse's tongue," says Mrs. Neighbor. So she came over and dropped Farris' Colic Remedy on the horse's tongue and the horse was well when the men came home. Moral: Get Farris' Colic Remedy so the women can cure horse colic. We sell it at 50 cents a bottle on the Money Back Plan. For sale by Frank C. Wehman. advt

Miss Binkley A Heroine.

Miss Gertrude Binkley, of Fulton, teacher at Bennet Schoolhouse, three and one-half miles northeast of Fulton, is the heroine of an accident which occurred Saturday night during a Christmas entertainment given by the pupils in the interest of the school.

A large crowd was present and a drama was being presented. Eldredge Hastings was supposed to fire a blank cartridge at Bessie Provow. He fired all right, a .32 Smith & Wesson pistol, but instead of a blank someone had blundered, and it carried a ball. The missile struck Miss Binkley in the calf of a lower limb and ranged upward and imbedded itself in the flesh. The boy was reclining on the floor when he fired and the ball ranged upward. Miss Binkley made no outcry and went ahead until the play was finished, when she came near fainting from the pain. She was brought home and Dr. R. N. Whitehead called. He has not yet removed the bullet. The wound is not considered dangerous.

Miss Binkley, when asked why she did not give the alarm, said that the people had paid their money and she did not want to spoil the play and break up the entertainment.—Fulton Leader.

NOTHING BETTER FOR WEAK WOMEN

"I Never Spent Any Money That Did Me So Much Good as That I Spent for Vinol."

Bellefontaine, Ohio.—"I wish every tired, weak, nervous woman could have Vinol for I never spent any money in my life that did me so much good as that I spent for Vinol. My nerves were in a very bad condition, making me very weak, tired, and worn out and often drowsy headaches. I had tried cod liver oil, doctor's medicines, and other preparations without benefit.

"One day a friend asked me to try Vinol. I did and soon my appetite increased. I slept better and now I am strong, vigorous and well and can do my housework with pleasure."—Mrs. J. F. LAMBORN, Bellefontaine, Ohio.

Nervous, weak, tired, worn-out women should take Mrs. Lamborn's advice and try Vinol for there are literally thousands of men and women who were formerly run-down, weak and nervous, who owe their good health to Vinol.

It is the medicinal, tissue building elements of the cod's livers, aided by the blood making, strengthening influence of tonic iron, contained in Vinol, which makes it so efficient in all such cases.
