THE LAMBERT CO.

Fire on Division Street.

Fire at the home of D. P. Cald-
well, this city, last Friday morning
did considerable damage to the
kitchen and rear of his residence.
Fire was communicated to the kitchen
from a small house in the yard
used as a laundry. The colored
woman was ironing and left a hot
iron while she was called out. The
garment was set afire and the little
house entirely destroyed. Fire in
the kitchen was checked by company
which arrived promptly and saved
the main portion of the building
from ruins.

REMARKABLE CASE of Mrs. HAM

Declares Lydia E. Pinkham's
Vegetable Compound
Saved Her Life
and Sanity.

Shamrock, Mo.—"I feel it my duty
to tell the public the condition of my
health before using
your medicine. I had
falling, inflammation
and congestion,
female weakness,
pains in both sides,
backaches and bear-
ing down pains, was
short of memory,
nervous, impatient,
passed sleepless
nights, and had
neither strength nor
energy. There was always a fear and
dread in my mind, I had cold, nervous,
weak spells, hot flashes over my body.
I had a place in my right side that was
so sore that I could hardly bear the
weight of my clothes. I tried medicines
and doctors, but they did me little good,
and I never expected to get out again.
I got Lydia E. Pinkham's Vegetable
Compound and Blood Purifier, and I cer-
tainly would have been in grave or in an
asylum if your medicines had not saved
me. But now I can work all day, sleep
well at night, eat anything I want, have
no hot flashes or weak, nervous spells.
All pains, aches, fears and dreads are
gone, my house, children and husband
are no longer neglected, as I am almost
entirely free of the bad symptoms I had
before taking your remedies, and all is
pleasure and happiness in my home."
—Mrs. JOSIE HAM, R. F. D. 1, Box 22,
Shamrock, Missouri.
