"A SPLENDID TONIC"

Says Hixson Lady Who, On Doctor's Advice, Took Cardui And Is Now Well.

Hixson, Tenn.—"About 10 years ago I was..." says Mrs. J. B. Gadd, of this place. "I suffered with a pain in my left side, could not sleep at night with this pain, always in the left side..."

My doctor told me to use Cardui. I took one bottle, which helped me and after my baby came, I was stronger and better, but the pain was still there. I at first let it go, but began to get weak and in a run-down condition, so I decided to try some more Cardui, which I did.

This last Cardui which I took made me much better, in fact, cured me. It has been a number of years, still I have no return of this trouble. I feel it was Cardui that cured me, and I recommend it as a splendid female tonic.

Don't allow yourself to become weak and run-down from womanly troubles. Take Cardui. It should surely help you, as it has so many thousands of other women in the past 40 years. Headache, backache, dizziness, nervousness, sleeplessness, tired-out feeling, are all signs of womanly trouble. Other women get relief by taking Cardui. Why not you? All druggists.

RIVERSIDE

O. E. S. meets Wednesday next week. Pin a white ribbon on Hambones. He has solved the puzzle of bootleg whiskey. Shoot it to the Germans, says Hambones. E. T. Mitchell and W. E. Warren have new cars. The former a Saxon, the latter a Willys-Knight. Miss Bonner is in Rome, Ga., this month, guest of her sister, Mrs. Allan Wade. Miss Leiron Braden, of Kenton, en route home from a lengthy visit in Memphis, was the visitor Monday of Mrs. Jerry Spikes. Miss Dora Callicott, of Union City, was an end of the week guest of Mrs. Press Callicott.

A convention of some sixteen or seventeen Sabbath schools of the C. P. Church meets here the last Sunday in this month. There will be preaching at the M. E. Church Sabbath morning and evening. Miss Estelle Stovall, of Number Seven, is now on the force at Harper & Shore's dry goods establishment. Miss Stovall will either trim you a hat or wait on you at the counter.

The friends of Mrs. Homer Harris, formerly Miss Bess Morris, will be glad to know of her chance now to live thru a crisis of pneumonia and an operation for appendicitis. Mrs. Harris is in a hospital at Denver, Colo. To the question in current issue of The Country Gentleman, "Have you any wool," we could say, "Yes sir, yes sir, three bags full, one for the master, one for the dame and one for the little boy that lives in the lane," were it not for prowling, thriving dogs. Indeed the uplands of West Tennessee could number its sheep as in the days of Father Abraham, but alas and alas the farmer too often spends his leisure hours about town, instead of attending legislative halls. Like everything else a good dog is all right. There is no earthly reason for the thousands of mongrels infesting this fair land.

Mr. and Mrs. Isaac Etheridge, of Number Seven, and Messrs. Louis and Leo Lutten, of Waverly, were recent visitors at Moffatt with the family of Mr. Will Witherspoon. The horse of W. L. Clemmons, requisitioned by an unknown party last week, was found over in Kentucky near Casey. There was a call meeting Tuesday afternoon of the Masonic Lodge to give the first degree to Messrs. Mrs. Horace Fields, of Mount Pelia, was in town a few days this week, guest of her sister, Mrs. Moss Fisher. Mrs. Fields leaves in a few days for Memphis for medical treatment of a skin disease specialist. A wire to homefolks from Mrs. W. Palmer, Radio Warrant officer in the Navy, state he is being transferred from Portland, Oregon, to the Atlantic Sea Board. If possible the trip across will be made thru here to visit his parents, Dr. and Mrs. T. P. Palmer. Lancaster Smith has sold his tonorial shop to Dexter Vaughn. Mr. Smith has joined the patriotic corps to raise more food for the allies.

It is reported T. J. Vaden and Lee Wade have new machines of the improved Ford type. Mrs. Laferty, of Fulton, is the house visitor of Miss Calle Byrns. The campaign last month in the school for war certificate sales was won by the girls in an almost two to one. The boys are gallantly taking their defeat. The sales amounted to near \$800, we are told. We are surprised that there is only one depot here for stamp sales, the post office. This throws such a burden on the postmaster right at time to make up afternoon mail that more sales would be made if some other depository at this time of the day was convenient. If the plan of responsibility is the cause of this trouble, the business men should petition Secretary McAdoo for a different arrangement. The sale of War Savings Stamps should not be blocked.

They saved seven feather beds and about all the quilts and their meat and a few other things. Mr. and Mrs. Odie Irvine, of Cloverdale, have a new boy. Mrs. Frank Hughes is visiting her mother, Mrs. Wray, at Hornbeak. Mrs. George Marshall, of Cunningham, is staying with Mrs. Eva Shires. Our Sunday school is getting larger, but there is still room for more. We noticed a piece in the paper stating for the ladies to stop so much sewing and go to making crops. I can say that the most of them in this end of the county do help make the crops. TWO MAIDS.
