STATE OF TENNESSEE,
COUNTY OF OBION,

RED CROSS NOTES.

A petition with ten names attached was received from Harris this week to form an auxiliary at that place with Mrs. L. D. Allen chairman, and Mrs. Maude Williams secretary.

The colored auxiliary of Union City reported two new names added to their membership.

Mrs. Dick Williams, of Hornbeak, and Mrs. Hurt, of Mason Hall, were visitors at the work rooms this week.

On March 5 the Hornbeak auxiliary sent in \$29, a donation, from the sale of a quilt.

On March 8 the Clayton ladies held an egg shower, the proceeds of which were \$6.75, which they donated the Red Cross.

A check for \$150 has been received from the sale of the Red Cross pig, which was donated by Mr. Knox Harper, of Rives.

The chapter is deeply grateful for these favors, which enable it to do a larger amount of work.

A large shipment of finished hospital garments was sent to Atlanta this week and an order sent in for more material to be made up.

AMERICAN RED CROSS

The American Red Cross has been granted a license by the War Trade Board to "trade with the enemy."

This is how it came about: the privilege of sending letters, food, and money to American prisoners of war in Germany has been granted exclusively to the Red Cross by the German government.

Germany demands a return for this privilege. She asks the Red Cross to act as the medium thru which German fathers and mothers can send a "word from home" or a remembrance to sons confined in American prison camps, and to a minor extent to her prisoners in French and British camps.

This, in a sense, constitutes "trading with the enemy." Thus it was necessary to get the sanction of the War Trade Board for the undertaking. This has just been secured, and the license issued. It gives the American Red Cross a blanket authorization for communication with prisoners of war over the entire world—enemy, allied, and neutral.

Recently a naturalized Austrian came to the Red Cross, begging it to get word to his son held prisoner in far-off Siberia by the Russians. He sent supplies and a letter, the spirit of which is as follows:

"Do not let the Russians involve you in any exchange of prisoners, for then you will have to go back to Austria, or perhaps Germany, and be forced to fight Americans. Don't let them do that if you can help it; but stay where you are, and we will send you supplies until you can come to America."

Scores of similar cases are reaching the Red Cross. In war times it is the only organization which can conduct what is really the single international post office and cable office for prisoners of war in the world. It is extending its communication and information service constantly. It is at work all the time gathering data about the American dead, wounded, and missing on this side of No Man's Land—and about the prisoners on the other. The War Department undertakes to send to the nearest kin only the bare fact that an American soldier has been killed, wounded, missing, or taken prisoner. The Red Cross, on application, supplements this by obtaining details and data. It thus performs a service of inestimable value to relations at home.

Likewise any "enemy alien" in the United States can get a message of reassurance to a relative in the Central Empires thru the Red Cross, if the message is legitimate. In recognition of this work, the German government grants the Red Cross similar privileges regarding American prisoners of war in Germany, the nature of which cannot be revealed at this time.

C. W. B. M.

The regular monthly meeting of C. W. B. M. Auxiliary was held on Thursday afternoon, March 7, at the Christian Church. A large membership was present and answered roll call with items of missionary interest. Mrs. W. G. Reynolds was leader for the afternoon lessons and she reviewed them in a most interesting and helpful manner.

Many important facts were discussed pertaining to the missionary work during these perilous days, and all were urged to give and sacrifice of our means, as God has blessed us, for support of the evangelizing on the foreign fields. Anyone desiring to make an Easter offering will kindly give their contributions to the president, Mrs. Wright Phebus, or secretary, Mrs. Mayme Tanner.

The auxiliary will observe the week preceding Easter as a week of prayer and self denial. An interesting programme is being arranged by the committee, Mrs. Clifford Joyner and Mrs. Quinn. Mrs. Felix Moore will be the leader for April meeting.

The Red Cross Work.

At the theatre on the occasion of a recent date made here by a troupe of Hawaiians, Dr. Turner informs us that the proceeds, altho the troupe failed to appear, were donated in full to the Union City Red Cross chapter. Quite a large audience was present in anticipation of a musical treat, and tho disappointed they refused to accept a refund of the admission. The Hawaiians, it seems, were suspected of being German spies.

Wagon and Blacksmith Shop.

Mr. John O'Donnell sold his wagon and blacksmith shop a few days ago to T. R. Reynolds, the president of the Union City Lumber Co. Mr. O'Donnell has a notice in the paper this week requesting a settlement of accounts. He has been one of our most popular business men and citizens, and his retirement from business here is universally regretted. Mr. Reynolds will no doubt continue the business with the prospects of the best success. He will give the business his personal attention.

Tom Thumb Entertainment.

The teachers, Miss Callie Howell, Miss Elizabeth Chambers and Mr. Sparkman, gave a very unique Tom Thumb entertainment last Tuesday night in the school building, the proceeds of which were used for the purchase of a Victrola in the Westover School. A large audience was present and the affair was a complete success.

Basket Ball Game.

The girls from McFerrin School at Martin, accompanied by their teachers and scores of rooters, came Monday night to take their regular lesson and defeat at the hands of the Union City High School girls in the school gym. It was anybody's game until the whistle sounded for time. They each led the other at different times and were often tied during the game. All this was interesting and made the rooters boost more. The people came over in cars and were greeted by a good crowd to make the evening pleasant. Why don't more people attend these games.

Score—Union City High School, 11, McFerrin, 8.

G. R. J. A. O.

Only a few will recognize the fun that lies under these letters. But Mr. Embrey Beck has now ready at the Elks Home the ritual and paraphernalia for the Oriental Order of Humility, and weekly meetings will be held on Wednesday nights for the initiation of candidates. Come around if you have not had a good laugh for some time.

Card of Thanks.

Words cannot express our sincere thanks and appreciation for the kindness shown us during the illness and death of our darling son and brother, Leonard. For the many sweet words of sympathy and comfort coming from loving friends in the saddest hour of our lives and for the many beautiful floral offerings.

May God's richest blessings rest upon you is our prayer.—Mr. and Mrs. Butler Caldwell and Rubye.

Dircks-McClain.

Mr. Harry M. Dircks and Miss Sadie McClain were united in marriage at the home of Captain and Mrs. Dircks in Union City Sunday afternoon, the 11th inst., the rites of matrimony being administered by Rev. W. B. Cunningham. The young people are both very popularly known and esteemed and the kindest congratulations are extended.

KEPT HER AWAKE

The Terrible Pains in Back and Sides. Cardui Gave Relief.

Marksville, La.—Mrs. Alice Johnson, of this place, writes: "For one year I suffered with an awful misery in my back and sides. My left side was hurting me all the time. The misery was something awful.

I could not do anything, not even sleep at night. It kept me awake most of the night... I took different medicines, but nothing did me any good or relieved me until I took Cardui...

I was not able to do any of my work for one year and I got worse all the time, was confined to my bed off and on. I got so bad with my back that when I stooped down I was not able to straighten up again... I decided I would try Cardui... By time I had taken the entire bottle I was feeling pretty good and could straighten up and my pains were nearly all gone.

I shall always praise Cardui. I continued taking it until I was strong and well." If you suffer from pains due to female complaints, Cardui may be just what you need. Thousands of women who once suffered in this way now praise Cardui for their present good health. Give it a trial.
