Growing Hogs.

For a hog to be profitable he must be ke growing from birth to marketing age. He cannot be profitable unless he is healthy. He can always be in a profit-producing condition if he is fed B. A. Thomas' Hog Powder. We positively tell you that this remedy prevents cholera, removes worms and cures thumps. If the powder does not make good, we will.

## FARM NEWS.

Clarence Fox, of Number Fourteen, has one of the best fields of wheat in the county. It was seeded under the instructions of County Agent Carter.

Reports from more than seven hundred farmers in Obion County show that the acreage planted to corn in 1918 will be about ten per cent larger than it was in 1917.

In the food production drive, which closed May 1, District Number Sixteen turned in more reports than any other district in the county. J. M. Chambers is district chairman.

Ernest Maloney, of Elbridge, is planning to start a flock of sheep on his farm. He will begin with ten Cheviot ewes and gradually enlarge this number by keeping the ewe lambs for breeding purposes.

G. C. Cloys has ordered another car of ground limestone for his farm.

D. A. Dean, of Glass, has 22 brood sows and more than 130 young pigs. One year ago Mr. Dean had only two brood sows.

Edward Banks and Ernest Via, of Elbridge, have joined the Pig Club and bought two registered Duroc Jersey Pigs.

Watch for the Farm News each week.

### Notice to Teachers.

Applicants for position in the public schools of Union City are hereby notified that applications must be filed on or before Saturday, June 1, 1918, for the session of 1918-19. This embraces both the grammar and high-school work.

J. W. WOOSLEY,  
Sec. Board of Education.

## The Union City Schools.

The grammar grades of the City Schools having finished the work for the school year, the closing exercises were held beginning last Thursday with a parade thru the streets of Union City, with grades from first to sixth in the line of march, all in character costume of some kind, and all more or less descriptive of the work of the school. The procession was a long one. We will not undertake details, but it was under good discipline and of a very interesting nature altogether.

On the day previous the shop windows were filled with the school display of card work and manual training specimens, as well as the science of cookery and economics.

On Friday the grades were assembled again at the park for a type of Terpsichorean entertainment, embracing the dances of nations, etc.

The school children were in high spirits and the occasion was to them and to the public generally very pleasant.

### "Josiah's Courtship."

The pupils of Crescent school will again give their play, "Josiah's Courtship," at Liberty church near Protemus Saturday night, May 25, the proceeds of which will be donated to the Red Cross.
