KEPT HER AWAKE

The Terrible Pains in Back and Sides. Cardui Gave Relief.

Marksville, La.—Mrs. Alice Johnson, of this place, writes: "For one year I suffered with an awful misery in my back and sides. My left side was hurting me all the time. The misery was something awful. I could not do anything, not even sleep at night. It kept me awake most of the night... I took different medicines, but nothing did me any good or relieved me until I took Cardui... I was not able to do any of my work for one year and I got worse all the time, was confined to my bed off and on. I got so bad with my back that when I stooped down I was not able to straighten up again... I decided I would try Cardui... By time I had taken the entire bottle I was feeling pretty good and could straighten up and my pains were nearly all gone. I shall always praise Cardui. I continued taking it until I was strong and well." If you suffer from pains due to female complaints, Cardui may be just what you need. Thousands of women who once suffered in this way now praise Cardui for their present good health. Give it a trial. NC-133

THIS WEEK, NERVOUS MOTHER

Tells How Lydia E. Pinkham's Vegetable Compound Restored Her Health.

Philadelphia, Pa.—"I was very weak, always tired, my back ached, and I felt sickly most of the time. I went to a doctor and he said I had nervous indigestion, which added to my weak condition kept me worrying most of the time—and he said if I could not stop that, I could not get well. I heard so much about Lydia E. Pinkham's Vegetable Compound my husband wanted me to try it. I took it for a week and felt a little better. I kept it up for three months, and I feel fine and can eat anything now without distress or nervousness."—Mrs. J. WORTHLINE, 2842 North Taylor St., Philadelphia Pa.

The majority of mothers nowadays overdo, there are so many demands upon their time and strength; the result is invariably a weakened, run-down, nervous condition with headaches, back-ache, irritability and depression—and soon more serious ailments develop. It is at such periods in life that Lydia E. Pinkham's Vegetable Compound will restore a normal healthy condition, as it did to Mrs. Worthline.

Mr. Cherry is one of our citizens who is alive to the conditions. He thinks that every man should either be at work to produce for our fighting strength or a soldier himself. One of the greatest curses we have, Mr. Cherry says, is trifling men and dogs, and we say "amen!"

UNION CITY EVIDENCE FOR UNION CITY PEOPLE

The Statements of Union City Residents Are Surely More Reliable Than Those of Utter Strangers.

Home testimony is real proof. Public statements of Union City people carry real weight.

What a friend or neighbor says compels respect.

The word of one whose home is far away invites your doubts.

Here's a Union City man's statement. And it's for Union City people's benefit.

Such evidence is convincing. That's the kind of proof that backs Doan's Kidney Pills.

L. C. Cloys, contractor and builder, E. Cheatham St., says: "I had a pretty bad spell with my kidneys just after recovering from the grip. My back pained most of the time, especially mornings. My kidneys didn't act properly, either. I read about Doan's Kidney Pills and got a few boxes at the Red Star Drug Store and didn't take them long to relieve my complaint and I have felt well ever since."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Cloys had. Foster-Milburn Co., Props., Buffalo, N. Y.
