

## "A SPLENDID TONIC"

Says Hixson Lady Who, On Doctor's Advice, Took Cardui And Is Now Well.

Hixson, Tenn.—"About 10 years ago I was..." says Mrs. J. B. Gadd, of this place. "I suffered with a pain in my left side, could not sleep at night with this pain, always in the left side..."

My doctor told me to use Cardui. I took one bottle, which helped me and after my baby came, I was stronger and better, but the pain was still there.

I at first let it go, but began to get weak and in a run-down condition, so I decided to try some more Cardui, which I did.

This last Cardui which I took made me much better, in fact, cured me. It has been a number of years, still I have no return of this trouble.

I feel it was Cardui that cured me, and I recommend it as a splendid female tonic.

Don't allow yourself to become weak and run-down from womanly troubles. Take Cardui. It should surely help you, as it has so many thousands of other women in the past 40 years. Headache, backache, sideache, nervousness, sleeplessness, tired-out feeling, are all signs of womanly trouble. Other women get relief by taking Cardui. Why not you? All druggists.

### Mrs. Mary Inman.

Mrs. Mary Inman, 88 years old, died in Louisville, Ky., Friday afternoon, July 5, 1918, at the home of her daughter, Mrs. Howard G. Lea, 328 Birchwood avenue. She leaves two sons, John and James Inman, of Inman, Ark., and two daughters, Mrs. Lea, and Mrs. M. Buchanan, of Polk. The funeral took place at the residence at 6 o'clock Saturday evening and the body was shipped to Troy for burial.

The remains were taken to the home of Mrs. L. M. Maxwell, granddaughter of Mrs. Inman, with funeral service conducted by Rev. T. P. Pressly, and burial was held at the Troy Cemetery Sunday afternoon.

Mrs. Inman was the widow of the late Charles Inman, who for many years resided in the country known as Fairfield, afterwards locating at Troy, where the family resided for many years. At Troy they had charge of the Bright House, and Mr. Inman, a great hunter, was often deputized as special officer. Mrs. Inman was a woman of many generous and noble qualities. She was a good mother, a very kind neighbor and friend. The Bright House was more like a home than a hotel and Mrs. Inman like a mother. I remember her and her kindness. Who could forget a woman whose heart is big enough and whose smile is sweet enough to mother us all.

## "BEST MEDICINE FOR WOMEN"

What Lydia E. Pinkham's Vegetable Compound Did For Ohio Woman.

Portsmouth, Ohio.—"I suffered from irregularities, pains in my side and was so weak at times I could hardly get around to do my work, and as I had four in my family and three boarders it made it very hard for me. Lydia E. Pinkham's Vegetable Compound was recommended to me. I took it and it has restored my health. It is certainly the best medicine for woman's ailments I ever saw."—Mrs. SARA SHAW, R. No. 1, Portsmouth, Ohio.

Mrs. Shaw proved the merit of this medicine and wrote this letter in order that other suffering women may find relief as she did.

Women who are suffering as she was should not drag along from day to day without giving this famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound, a trial. # SAVE FUEL AND HELP WIN THE WAR

50,000 CALORIC USERS ARE CONSERVING 1/3 TO 1/2 OF THEIR COAL

"Since installing a Caloric Pipeless Furnace, I am heating my entire house of seven rooms on less than it formerly took to heat one room with a double heater."

H. H. COOPER.

Hundreds of other letters, equally as strong, from delighted patrons from Maine to California prove that no heating device can be more economical than the

Original Patented Pipeless Furnace

"I would not take \$1,000 for my Caloric Pipeless Furnace if I could not get another one. My house is 24x28, 2 stories high, and it heats it all over, up stairs and down, with less coal than it would take to run a 16-inch heating stove."

W. M. KOENIG.

When every effort is being put forth to economize coal, and with fuel so difficult to obtain, the Caloric becomes a national asset.

The cause of its superiority lies in the patented and exclusive features that distinguish the Caloric from all others, and enable us to sell it on an absolute guarantee of satisfaction and service.

We will show these principles to you, and you will then see why the Caloric leads. Get our book "Progress," it tells the story of successful pipeless heating.

"I cannot praise my Caloric Pipeless Furnace enough. I have 3 rooms and kitchen and store room down stairs, five rooms and bath up stairs; the furnace heats it with less fuel than 3 stoves which kept only part of the house heated."
