A business meeting of the Obion County Chapter American Red Cross was held in the workrooms in Union City on Monday afternoon. All of

To The Public:

In conformity with and by the request of the National Council of Defense, I will, on and after October 1st, 1918, conduct my automobile business on a strictly cash basis to everyone.

This is done in order to conserve man-power, and is in line with the President's request through the National Council of Defense as a strictly war measure.

I wish to take this occasion to thank all my customers for the liberal patronage given me in the past, and to assure them the same prompt service and attention in the future as in the past, and to thank each and every one in assisting me in carrying out this request to help win the war.

Yours very truly,

R. H. RUST,
Authorized Ford Dealer.

the branches and most of the auxiliaries were represented and a number of important matters were discussed. Especially interesting were the reports of Dr. Carlton and Miss Brownie Dickson on the home service work of the Red Cross.

The Red Cross wishes to announce a benefit to be put on Thanksgiving night by Miss Ima Nailling and Miss Allie B. Campbell. These are talented young ladies and Union City and surrounding country may look forward to a treat.

The surgical dressings department is still in need of more workers in order to finish their quota in the allotted time and asks all who can to help in this work.

A call has come from "over there" for the following articles, which are urgently needed by the hospitals. This county's part is as follows: 375 bath towels, 754 hand towels, 526 handkerchiefs, 35 napkins and 174

sheets. The allotments will be sent in due time to the different branches and auxiliaries.

The following donations were received during the past week by Mrs. Napier: James Winfield Qualls, \$1.50; Mrs. Alice Harpole, \$1; Mason Hall auxiliary, \$100; Woodland Mills community, \$28.60; Pleasant Valley community, \$117.93. Many thanks are due for these sums, which are more and more needed at the work grows.

Cemetery Association.

The ladies of the City Cemetery Association ask for fifty men, volunteers, to clean the old part of the cemetery. Give us a day's work or a few hours work and make it look like the other part. Thursday, Oct. 3, is the day. Come or send help for that day. If you have no graves there, come and clean somebody's grave. If you bring lunch the ladies will furnish hot coffee.

Teachers' Meeting.

At a meeting of the teachers of Obion County last Saturday, the subject of promoting pupils from the eighth grade to the high school was the chief point discussed. The opinion of practically all of the teachers was that the pupils of the eighth grade be promoted by examination given next spring. These examinations will be uniform and all given on the same days at the high school nearest the pupil. The teachers of the different schools where there are eighth grade pupils will be expected to accompany their pupils to these places of examination and give them encouragement. The subjects in which the pupils will be examined are: Spelling, reading, writing, arithmetic, grammar, geography, U. S. history. Satisfactory evidence must be given that the pupils have had the physiology of the sixth grade and also the Tennessee history.

Another point discussed and decided upon was that pupils cannot go from one grade in the high school to another without the certificate of promotion of his previous teacher or else take examination at the beginning of school.

Teachers present: Elsie Woodfin, Bera Jones, Gladys Hubbs, Mrs. Beth Sutherland, Minnie Dale Burrus, Vivienne White, Vivian Woodrow, Greta Benthall, Mattie Corum, L. D. Williams, J. H. Stover, Hecsie Smith, J. E. Cox, Roxie Shore, Mildred Boyd, Mrs. H. H. Hunt, Lurline Bullington, Cassie Hamilton, Minnie Wright, Morie Finch, W. H. Cravens, Sadie Fry, Juna Reynolds, Mrs. R. R.
