CITY ORDINANCES TAX RATE FIXED

City Taxes One-Half Due in October One-Half in March.

The Board of Mayor and Aldermen settled the rate for the city taxes for 1920 at the meeting last Tuesday night. There was considerable discussion over the matter. Two or three members advocated a rate of \$1.25, the others \$1.00. It was a matter altogether of raising sufficient revenue for current expenditures, but there was a difference of opinion as to how much it would take. It was thought by some that it would be impossible to get along for less than \$1.25, but rather than hold out a compromise was finally effected on \$1.10 on the hundred dollars. An assessment of \$3,500,000 or more has been made, as against half that amount before, and it is thought that the revenues from this will suffice. An ordinance as follows was passed making the taxes payable, fifty per cent in October and fifty per cent in March—that is making taxes payable semi-annually instead of annually. This is done to realize some cash in October to run the schools with.

AN ORDINANCE to provide when the taxes of Union City shall become due and payable, and when the same shall become and be deemed delinquent; and also to provide that the same shall bear interest and penalties during delinquency.

Section 1. Be it ordained by the Board of Mayor and Aldermen of Union City that hereafter all taxes

levied and assessed by or for the city on real and personal property within the corporate limits, together with all poll taxes, shall be due and payable on the first Monday of October of the year for which they are assessed.

Section 2. Be it further ordained that of the taxes remaining unpaid on the 15th day of October of each and every year for which they have been assessed, one half thereof shall become and be deemed delinquent thereafter; the remaining one half of said taxes shall become and be deemed delinquent on and after the first day of March of the year succeeding the year for which they have been assessed or levied.

Section 3. Be it further ordained, that delinquent taxes due the city shall bear interest from the date of delinquency at the rate of 6 per cent per annum; and in addition thereto, a penalty of 1 per cent for each month, or fractional part thereof, that said taxes are delinquent, shall be added thereto on the first day of each following month; and said taxes, interest and penalties shall be paid by the person, firm or corporation owing the same, and shall be a lien upon the property upon and against which the same are levied and assessed.

Section 4. Be it further ordained that this ordinance applies to the taxes of 1920 and upon each and every year thereafter, unless sooner repealed; and that it take effect from and after passage, the public welfare requiring it.

Passed June 15, 1920.

AN ORDINANCE to require persons, companies and corporations operating railroads within the corporate limits of Union City to grade and keep in repair upon the

right of way and track of such railroads all streets crossing the same, and to plank such crossings between the rails and to the end of the cross ties.

Section 1. Be it ordained by the Board of Mayor and Aldermen of Union City, that every company, person or corporation operating a line of railroad within the corporate limits of Union City shall be required to grade to a level with the rails of said railroad and to keep in repair every public street crossing said railroad between the rails thereof.

Section 2. Be it further ordained that company, person or corporation so operating any railroad line within the corporate limits of Union City shall plank all streets crossing the tracks thereof between the rails and to the ends of the cross ties on each side, and which planking shall be laid so as to be level with the top of the rails, and of good substantial timbers.

Section 3. Be it further ordained that the failure of such person, company or corporation to comply with the requirements of sections one or two of this ordinance shall be deemed to be a misdemeanor, and upon conviction thereof in the Mayor's Court, said person, company or corporation shall pay a fine of fifty dollars.

Section 4. Be it further ordained that this ordinance take effect from and after its passage.

Passed June 15, 1920.
F. E. QUINN, Recorder.
Approved June 15, 1920.
