Southern Association Meeting.

The monthly meeting of Local No. 236 of the Cumberland Telephone Employees was held Monday night, June 28, at 8 o'clock in the telephone building. Of the twenty-five members twenty-one were present. The membership committee showed they had been working by adding five new members to our list. Interesting talks were made by W. A. Birdsong, from Jackson, and C. W. Fulgham, of McKenzie. Among other out of town guests were Miss Lula Kelly, Miss A. Sanders and Jack Marshall, of McKenzie. After the meeting refreshments of ice cream and cake were served. Due to the kindness of Mr. Dietzel, we were furnished with music by the Edison. Dancing was enjoyed by many. Everyone claimed the evening to be an enjoyable one.

College Night.

In order that the parents of the boys and girls might know the religious atmosphere that exists in our colleges and universities, the Christian Endeavor Society of the C. P. Church had a "College Night." This meeting served also as an inspirational service to the boys and girls to attend college.

The meeting was led by Miss Jeanne Garth, of the University of Tennessee, and the following college men and women took part: Miss Juna Reynolds, of Vanderbilt; Miss Hattie White, of Bethel College; Miss Elizabeth Chambers, of Washington University; Miss Mary Horner, of University of Tennessee.

Miss Inez Lovelace, of Memphis Normal, gave a report of the Y. W. C. A. conference at Blue Ridge, N. C. Miss Louise Harris, of the Cincinnati Conservatory of Music, sang. Mr. Rex Naylor, instructor at Yale, gave a talk on the religious atmosphere at Yale. His reply to remarks about "higher criticism" in colleges was straight and to the point.

This "College Night" was enjoyed by all present and will help to bring the college and church closer together. The church must look to the college for its leaders, so it should know of the religious life of the real students of our universities.
