### Birthday Party.

### The Devil.

George Arliss' screen version of "The Devil" was one of the feature attractions of Jimmie's Playhouse just before the holidays. George Arliss is an English artist, a very distinguished actor, whose style and manner is after the same school as that of the celebrated Sir Henry Irving. Arliss produced "The Devil" on the New York stage for a year's run, and the play was then adapted for the screen and Mr. Arliss opened early in the year with "The Green Goddess," which is now running in New York with prospects of a year's run.

The play is suggested by the conflict between good and evil in the case of The Devil. It is a story to prove that the good conquer good with good. This is Mr. Arliss' story, but as in the court since the good must end The Devil.

## Episcopal Rector Praises Picture to Be Shown at Jimmie's Playhouse.

The following communication was printed in the Anderson, S. C., Mail of June 20, and signed by the Rev. Guy H. Frazier. The communication expresses Mr. Frazier's opinion of the picture which is to be shown at Jimmie's Playhouse in this city Tuesday, Jan. 10, and is as follows:

"To Editor Daily Mail:—In view of the crying need of shielding and saving our young people from the horrible and unprintable deformities and abnormalities of life when abused, I wish it were possible for the police to arrest every young man in Anderson and take them to the Strand to-night and compel them to sit through the picture entitled "Are You Fit to Marry?" We believe in compulsory education, and this contemplated act, if it could be carried out would be entirely in keeping with that principle, for education of the sort contained in that picture, if heeded, will do more for the salvation of the race than almost any amount of preaching.

"I am not advertising the Strand but I say all glory to the theatre when used for the benefits of the race. We have not begun to capitalize the moving picture house as a blessing. On with the show. Guard our young women for the sake of the little angels.

"GUY H. FRAZIER."

## CARDUI HELPED REGAIN STRENGTH

### Alabama Lady Was Sick For Three Years, Suffering Pain, Nervous and Depressed—Read Her Own Story of Recovery.

Paint Rock, Ala.—Mrs. C. M. Stegall, of near here, recently related the following interesting account of her recovery: "I was in a weakened condition. I was sick three years in bed, suffering a great deal of pain, weak, nervous, depressed. I was so weak, I couldn't walk across the floor; just had to lay and my little ones do the work. I was almost dead. I tried every thing I heard of, and a number of doctors. Still I didn't get any relief. I couldn't eat, and slept poorly. I believe if I hadn't heard of and taken Cardui I would have died. I bought six bottles, after a neighbor told me what it did for her.

"I began to eat and sleep, began to gain my strength and am now well and strong. I haven't had any trouble since. . . I sure can testify to the good that Cardui did me. I don't think there is a better tonic made and I believe it saved my life."

For over 40 years, thousands of women have used Cardui successfully, in the treatment of many ailments.

If you suffer from any of the following ailments, take Cardui. L. J. Jones, Druggist, Paint Rock, Ala., has all the bottles.

## FARMERS, ATTENTION.

We are needing more live stock every week. Whether you have one animal or a car load, see us or call us up, we can use them at prices that will be interesting to you.

Help the little packers grow to be "big folks." May be we can soon double what we are now using. We are paying out the cash for live stock at the rate of nearly a thousand dollars every day. My, how good that sounds to the farmers.

There is such a wide range between corn and hog prices that it would pay you greater profits in hog feeding than at any time for the past twenty-five years.

When you buy Meat, call for our products.
