

BEFORE SPRING COMES, TONE UP YOUR BLOOD

Your Blood Needs the Help of Gude's Pepto-Mangan in Springtime to Overcome Drowsy, Listless Feelings Called "Spring Fever."

PALE FACES CAUSED BY BAD BLOOD

That Tired, All-Gone Feeling A Dangerous Signal That Your Blood Needs This Splendid Spring Tonic

The blood that courses through your body in the arteries and veins is of the most vital importance to the healthy life of the body. The little red corpuscles are what carry life to the millions of cells that make up your body. The blood is also the vehicle that carries away most, if not all, of the waste products.

Springtime is the season when the body adjusts itself from the rigors of winter to the heat of summer. You notice how much sickness there is in the spring? Perhaps there are weeks when you feel drowsy and listless, and you call it "Spring Fever." It is really your blood that has become weak and thin and needs help.

Take that good blood tonic—Gude's Pepto-Mangan. It will give the red corpuscles in your blood new power to carry fresh oxygen to the cells all over the body. You'll notice a change for the better in a few days. It brings the color back to pale faces and lifts you out of tired, all-gone feelings so that you enjoy full vigor.

Spring is the time for a good blood tonic. Take Gude's Pepto-Mangan so that you can enjoy the most beautiful season of the year. Get it at your druggist's, but be sure it is the genuine, with "Gude's Pepto-Mangan" printed on the package. It is sold in both tablet and liquid form. They have exactly the same medicinal value. The Commercial, Union City, Tenn.
FRIDAY, MARCH 4, 1921.

Supt. F. E. Ranck and his class in civics were present at the meeting of the Board of Mayor and Aldermen last Tuesday night. They were there to take notes and become more familiar with municipal affairs. As it happened there were no very grave questions to handle, but the routine of business was probably better presented than on some occasions when the time is taken with discussion. Mr. Ranck is very much interested in making the public educational work in Union City as practical as possible, and in this the pupils seem to be taking a special interest. The idea of making education a business as well as a literary proposition seems to be taking root in the public school system all over the country. Mr. Claxton, of the National Bureau of Education, has appeared at some length in a public discussion of the subject. He seems to think that if the whole American educational system could be reorganized with business talent in the teaching profession it would mean a world of actual benefit to the people. He is evidently leading in the right direction and if he pursues these ideas the right road to success may be found.

New Church Chapel.

Rev. L. G. Landenberger will deliver a sermon in memory of the passing into the other life of Brother Seid Waddell, at the New Church Chapel at 11 a. m. The remarks will be based upon "So teach us the number of our days, that we may apply our hearts to wisdom" and "The measure of a man." At 3 p. m. a second meeting will be held when the subject considered will be: "The Speech of Angels with Men." The public is cordially invited to both services.

Fisk University Quartette.

The world famous quartette of Fisk University, who have not only delighted America but have toured Europe and spread pleasure and sunshine among the music lovers, will give their best program here at Reynolds Theatre Monday night, March 14. The records they make for the phonograph people are among the most popular they have. Reserved seats will be on sale at Woosley's Tuesday morning, March 8, at 75 cents.

Infant's Death.

Friends here sympathize with Mr. and Mrs. Gay Cunningham, whose infant child, Louise, died Monday night, the 28th ult., at the home of the parents at Proteumus. The remains were interred at Ebenezer.

PUBLIC MEETING UNION CITY MARCH 10

Special Addresses by Miss Keller and the Mayor of Fulton.

A public meeting is called to be held at the Junior High School Auditorium in Union City on the afternoon of Thursday, March 10. On this occasion Miss Keller, community nurse of Fulton, will make a special address. She will be accompanied by Mayor Joe Browder, of Fulton, who will also speak in regard to the local work at Fulton. There will also be a delegation from the churches, the public health league and United Charities of Fulton present on this occasion. Every person in Union City should be present to get a complete idea of the work contemplated in Union City and vicinity. It is important that every one of us be present and a general invitation is extended to everybody to come. It is especially urgent that the board of Mayor and Aldermen, the Board of Education, the Lions, churches, fraternal organizations and clubs be represented on that occasion. Every physician in Union City should be present. This is not a small matter. Our health is our wealth and happiness. Without health nothing else counts.

No sacrifices are asked. No tax on anyone is contemplated. You are requested to be present more than anything else to get a comprehensive idea of the work and to become better prepared to meet the requirements of public health regulations. Come and meet the people of Fulton. Come and give us the benefit of your presence and influence. Come if you can. You are cordially invited.

The Fulton delegation will include Mayor Joe Browder, Rev. J. S. Dean, secretary Public Health League; W. R. Butt, treasurer Public Health League; Joe Davis, secretary Associated Charities. Meeting March 10 at 3:15 p. m.

Card of Thanks.

We take this method of thanking all friends whom we may not have thanked personally for helping in any way to make our burden of grief seem easier to bear.

May God shower His blessings upon each of you, is our earnest prayer.—Mrs. Tillman Shipp, Mr. and Mrs. W. R. Pace and family.

"Cold in the Head"

is an acute attack of Nasal Catarrh. Persons who are subject to frequent "colds in the head" will find that the use of HALL'S CATARRH MEDICINE will build up the system, cleanse the blood and render them less liable to colds. Repeated attacks of Acute Catarrh may lead to Chronic Catarrh. HALL'S CATARRH MEDICINE is taken internally and acts through the blood on the mucous surfaces of the system. All Druggists sell. Postimonials free. \$1.00 for any case of catarrh that HALL'S CATARRH MEDICINE will not cure. F. J. Cheney & Co., Toledo, Ohio.

TO THE PUBLIC.

Lincoln Memorial Hymn.

The following hymn, reprinted from the St. Louis Democrat of April 19, 1865, was furnished us by Mr. E. W. Stovall, of Rives. It was sung at a memorial service shortly after the death of Abraham Lincoln. Tune of "Old Hundred."

O, Thou, whose pity marks the plea
When Sorrow lifts her suppliant cry,
A mourning People bow to Thee
With burdened heart and tearful eye.

Woe, woe to us! foul murder's hand
Has struck the Lord's anointed low!
Slain is the beauty of our land!
Fall'n is the mighty! woe, ah, woe!

Dark is the path Thou call'st us to;
Yet Thou art still the Holy One;
For all Thy judgments, Lord, are true,
And righteous all. Thy will be done.

O, arm of God, awake, awake,
And vindicate Thy righteous cause!
Swift may Thy vengeance overtake
The proud defiers of Thy laws!

Bless Thou our soldiers in the field;
Guide Thou our sailors on the sea!
Strike with their strength; for they who wield
The Sword of Right, do hallow Thee!

Our fathers' God! 'tis Thou alone
Whose hand car part th' opposing wave;
Safe thro' the Sea, O, lead us on!
Great God of all, thy People save!

"Fondly do we hope, fervently do we pray that this mighty scourge of war may speedily pass away. Yet if God wills that it continue until all the wealth piled by the bondsman's two hundred and fifty years of unrequited toil shall be sunk; and until every drop of blood drawn with the lash shall be paid by another drawn with the sword; as was said three thousand years ago, so still may it be said, that "The judgments of the Lord are true and righteous altogether."—President Lincoln's last Inaugural.

"Purina" Made the Difference!

EQUAL in laying ability. But the hen on the right was fed a common grain ration while the other was fed Purina Chicken Chowder and Purina Hen Chow. Grains have lots of material for yolks, but far too little for whites. As they can't lay yolks only, grain-fed hens lay fewer eggs.

Purina Poultry Chows

form a complete ration, containing material for an equal number of whites and yolks. They get the most out of your hens, and cut the feeding cost per dozen eggs.

More Eggs Guaranteed

You get your money back if Purina Chicken Chowder and Purina Hen Chow, fed as directed, don't produce more eggs than any other ration. Why should you put off a trial when we take the risk?
