We have everything for the farmer at the lowest price. We know the farmer has been hit hard and we are going to sell everything we have at a reduced price to help him. What about your Tractor? If it isn't in good shape, let us go over it for you. We have an expert mechanic from St. Louis who has had fifteen years experience with gas engines. Let us overhaul your automobile, we will guarantee the best job you ever had. We are going to help you in this work and reduce the price to \$1.00 per hour. We have a complete machine shop and can repair anything from a wheel barrow to the finest engine and are in a position to make any part for you. Our Plumbing department is complete, let us give you prices on your next job. We can save you money.

Second-hand Cars from \$50.00 to \$500.00, painted and in good shape
