Reign of Terrorism.

Chattanooga, Tenn., March 8.—Conditions in Jackson County, Ala., are worse than in the dark days of reconstruction following the Civil War, and unless the governor dispatches troops to the scene of disturbance the county officials propose to organize citizen posses, who will shoot to kill to stop terrorism, according to Mayor Claude Timberlake, of Stevenson, here to-day discussing night riding activities.

"You never see a farmer more than 50 feet away from his home without a shotgun," said the mayor.

W. C. T. U.

Dear Comrades:—When this reaches you, the time will have arrived when we are urged by Mother National and also our State W. C. T. U. to begin an international drive for a million members. Campaign starts March 10, and continues until the 10th of May.

If you have not already done so, please order leaflets at once and begin. Our county slogan—"Every One Win One," (which is also the State slogan) was unanimously adopted at the last county convention, and we must carry it out, in fact, we can't afford not to do it. Remember, too, dear co-workers, that we also took as another aim, "Every Union Organize a New Union."

Let us carry out every one of those pledges to the very best of our ability. If we can assist you in any way, call on us. Also if there be a community desirous of being organized, do not hesitate to ask for assistance, for we are anxious and willing to help.

Another one of our aims which is of far-reaching import is that "We will make an earnest, combined effort to have an S. T. S. Essay contest held in every public school in the county." Are we doing it? If not, it isn't yet too late, so please let us not neglect it.

The County and State, also Mother National, are ready to reward the essays found to be the best. Get them ready and send to Supt. Vaughn by June 15.

All together now for a great work in Obion County between now and May 10.

Then another reminder and I am thru for this time. State officers are urging us to pay our dues now so they can plan the year's work more satisfactorily. I'm sure we are not going to fall on this either.

Lovingly,
MRS. W. J. CALDWELL,
County Pres. W. C. T. U.

More Poultry Pin Money

You can get more eggs and make more money by feeding hens more material for making whites of eggs. No grain feed contains anything like enough white-making material (protein). As a result, many yolks are formed in the hen's body that are never laid.

Purina Poultry Chows

fed together, make more eggs because they supply the scientific balance of all the elements a hen requires to produce the highest number of whites and yolks of which she is capable. Purina Poultry Chows are sold under an iron-bound guarantee of More Eggs or Money Back.
