CARDUI HELPED REGAIN STRENGTH

Alabama Lady Was Sick For Three Years, Suffering Pain, Nervous and Depressed—Read Her Own Story of Recovery.

Paint Rock, Ala.—Mrs. C. M. Stegall, of near here, recently related the following interesting account of her recovery: "I was in a weakened condition. I was sick three years in bed, suffering a great deal of pain, weak, nervous, depressed. I was so weak, I couldn't walk across the floor; just had to lay and my little ones do the work. I was almost dead. I tried every thing I heard of, and a number of doctors. Still I didn't get any relief. I couldn't eat, and slept poorly. I believe if I hadn't heard of and taken Cardui I would have died. I bought six bottles, after a neighbor told me what it did for her.

"I began to eat and sleep, began to gain my strength and am now well and strong. I haven't had any trouble since. . . I sure can testify to the good that Cardui did me. I don't think there is a better tonic made and I believe it saved my life."

For over 40 years, thousands of women have used Cardui successfully, in the treatment of many womanly ailments.

If you suffer as these women did, take Cardui. It may help you, too. At all druggists. E 85

A NERVOUS WOMAN

Huntersville, W. Va.—"After I got over the influenza last spring I was all run down and suffered from functional disturbances. I suffered with bearing pains and was so nervous I felt as if I would go to pieces. My breath was so short that I could not walk up hill at all or hardly walk up stairs. Having used Dr. Pierce's Favorite Prescription with good results when I came into womanhood, I decided to try it again. I have taken three bottles and am feeling fine."—MRS. NELLIE J. BUSCH.

Death of Mrs. Chas. J. Crockett.

News was received here last week by Mrs. D. N. Walker and Mrs. Joe Rodgers of the death of Mrs. Chas. J. Crockett on the 13th inst. at her home in Detroit, Mich. Mr. and Mrs. Crockett had been living in Detroit since December 1, 1920. Before that they lived in Cleveland, Ohio, where they located after leaving Colorado.

Mrs. Crockett was before her marriage Miss Meredith Edwards, daughter of Mr. and Mrs. J. M. Edwards, and a sister of W. J. Edwards, St. Louis. She was reared in Union City, a most lovable and sweet-spirited young woman. She was a member of the Cumberland Presbyterian Church and Sunday School and devoted to all the church work, especially the music of the choir, in which she sang.

There are scores of good people in Union City who hear this sad news with deep regret and tender the bereaved husband, mother and brother the kindest condolences.

"It is now five months since I took a course of your medicine for gas and stomach trouble and I am feeling entirely well. My friends all tell me I am looking twenty years younger and I certainly feel as they say. I am recommending Mayr's Wonderful Remedy to all ailing with stomach and liver trouble." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and alloys the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. Sold by Oliver's Red Cross Drug Store and druggists everywhere.

Mr. Edison invented the Edison Turn-Table Comparison himself. It is a truly scientific device.

By means of this Turn-Table, Mr. Edison brought together the four leading phonographs, so that each played from the same position, and used recordings by the same artist.

He knew that this was the

only way to show completely and convincingly which was the best phonograph—and why.

We have secured one of Mr. Edison's famous Turn-Tables. We now operate it for the benefit of music-lovers generally. Come in and hear it,—if you expect some day to buy a phonograph and want to get the one best phonograph.
