Music's pleasant relief

## Mr. Edison will pay \$10,000 for some thoughts!

MUSIC can help you. The pictures above show one way. There are many other ways. Mr. Edison has developed an instrumentality by which these benefits of music are placed at your command in your own home. Its RE-CREATION of music is so perfect, that it cannot be told from the original music, even when heard in direct comparison.

This instrument, which brings both the true beauties and the full benefits of music, is a great deal more than a mere talking-machine. Therefore, Mr. Edison wants a phrase of four or five words, which will distinguish the New Edison from all other sound-reproducing devices. He will pay \$10,000, in 23 cash prizes, for the best ideas submitted.

### Joyful Family Reunion.

"Two of my brothers, a sister, as well as myself have been chronic sufferers from gas in the stomach, indigestion, pain in right side near appendix and liver trouble for many years. My sister tried Mayr's Wonderful Remedy with such good results that we all took a course of it and it helped in each case. Last Sunday we had a family reunion in celebration of our recovery and what we all did eat. It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. Sold by Oliver's Red Cross Drug Store and druggists everywhere.

"Come, now," said the judge, you don't really believe he meant to put your eye out?" "No, I don't," said the Celt; "but I do believe he tried to put it further in, yer honor!"—Chicago Daily News.
