The Indian Messiah, who is causing the red men to dance and kick up a war cloud, has been identified as one of the offspring of the McKinley bill.

The remaining few Democrats holding Federal offices will all have to go now. The administration policy of chopping off all Democratic heads has been announced.

Jay Gould says he is "personally in a very comfortable position," and Mr. Depew is very happy that Wall street will be able to get through the strain without calling on Uncle Sam.

If there are any young men about here who can't get their satisfaction in dancing, we would commend to them the projected dance in Sitting Bull's country, in the North Dakota reservation, where they can flirt and whirl in the giddy maze to their hearts' content.

The Kentucky constitutional convention has adopted Dr. J. C. Clardy's amendment creating the office of "commissioner of agriculture, labor and statistics," to be filled by popular election. Dr. Clardy is a prominent candidate for the next gubernatorial nomination, and the way things look now he is going to get it. He is a capable, practicable man, and would make an excellent governor.

The next trip in search of the North Pole will be attempted in a balloon, which is being constructed by two young Frenchmen named Hermite and Besnon. They are to start from Spetzbergen next May. The car of the balloon will have several compartments, sleeping room, kitchen, and rooms for housing dogs, for a boat sled, which is to be suspended from the balloon. Should the expedition succeed, it will be a wonderful achievement.

The McCune Scandal.
A big scandal has grown out of the Senatorial contest in Georgia. A dispatch from Atlanta says Dr. McCune came there before the election, and he and Livingston and Stedje succeeded in getting twenty-eight alliance men in Kansas pledged to Pat Calhoun, but it soon leaked out that there was a deal in which Wall street capitalists had a hand, and a large piece of Washington real estate was found to have connection with it, and the whole affair will be brought out by President Polk in the Ocala convention next month.

The dispatch says: "Polk, the President of the National Alliance, is intensely bitter toward Livingston and McCune. He is said to have the evidence which will create a great sensation when the Alliance Congress meets. Nothing but summary dismissal of the unworthy leaders will satisfy Polk in his present mood. It is altogether doubtful if Calhoun knows what has been going on behind the scenes."

The World's Fair.
The excitement caused by this great event is scarcely equalled by that produced by the great discovery of Dr. Miles' Restorative Nerve. It speedily cures nervous prostration, change of life, pain, dullness and confusion in head, fits, sleeplessness, the blues, neuralgia, palpitation, monthly pains, etc. C. W. Snow & Co., of Syracuse, N. Y.; Talbot and Moss, of Greensburg, Ind., and A. W. Blackburn, of Wooster, O., say that "The Nerve sells better than anything we ever sold, and gives universal satisfaction." Dr. Miles' new illustrated treatise on the nerves and heart and trial bottle free at Owen & Moore's drug store.

Taxes.
The city taxes are now due and must be paid. Please take note and call at the city marshal's office, or levies will be made.

The narrow escape of Mrs. B. M. Seares, of Elkhart, Ind., from a personal injury, is a wonderful occurrence. She states that "for twenty years my heart troubled me greatly. I became worse. Had smothering spells, short breath, fluttering; could not sleep on my left side, had much pain in breast, shoulder and stomach. Ankles swelled. Head much headache and dizziness. Treatment did me no good, until I tried Dr. Miles' New Heart Cure and Restorative Nerve. The first bottle helped me, and I was virtually cured. For sale at Owen & Moore's drug store.
