CELEBRATED ORGANS

BETWEEN
\$7,000 AND \$8,000
NOW IN USE.

The oldest, largest and most perfect **Manufactory of Organs** in the United States. No other musical instrument ever obtained the same popularity. Have been tested for **OVER 30 YEARS** in Europe, Asia, Africa, Australia, and North and South America. Testimonials in proof of this statement can be found in our Catalogue, which will be mailed **FREE** to any address.

Our success has brought into existence hundreds of imitators (mostly Stock Companies), whose want of experience is evident to those who are capable of judging. **SEE AND HEAR OUR ORGANS BEFORE PURCHASING ANY OTHER**, and you will thus avoid the annoyance of being encumbered with an instrument which you will find (when too late) is a source of vexation and regret.

All our instruments are **WARRANTED** for five years.
