## GEORGIA SARSAPARILLA.

PREPARED BY J. DENNIS, M. D.,

AUGUSTA, GEORGIA.

For Diseases of the Liver and to purify the Blood.

THIS preparation is made of the Sarsaparilla which grows in Georgia and South Carolina. Those who have used the various preparations will find that it produces the best effect upon the system in all diseases in which Sarsaparilla is indicated, and has a taste more like pure Sarsaparilla than any other preparation of the kind now offered to the public.

The article sent South, labelled Sarsaparilla, has a sweet taste-more like Sugar or Molasses than any thing else, which proves that there is but little or no Sarsaparilla in it.

The Georgia Sarsaparilla has a bitter taste, corresponding with the taste of the fresh roots which proves that it contains nothing but Sarsaparilla, with spirit and sugar enough to preserve it.

With most persons it acts upon the bowels as a mild purgative. Its healthy action on the Liver and Blood prevents the tendency of morbid influences and is often a safeguard against disease. Physicians who may question the efficacy of this superior home-made article in diseases of the Liver, have only to observe its effects in the cure of Jaundice, to be convinced that it is the best adapted to professional and family use, and that it is the best that is prepared in the United States.

Price, \$1 per bottle, or 6 bottles for \$5.

For sale by WM. H. BRIDGES & Co., Athens; W. C. Lillard, Sweetwater; John Stanfield, Philadelphia; Dr. W. R. Hurley, Loudon; Dr. B. R. Strong, Knoxville; B. F. Martin, Calhoun; Cowan & Hammond, Charleston; L. B. & V. Miller, Cleveland.

## A CARD.

To the Merchants of East Tennessee, Western Virginia and Western Carolina.

HAVING determined to establish a Commission Business in New Orleans, I respectfully offer my services to you in that capacity.

My operations will embrace the RECEIVING and FORWARDING of MERCHANDISE, SELLING PRODUCE consigned to me, and PURCHASING Groceries or other articles in that market.

In purchasing Groceries the strictest care and attention will be given both to their quality and price-sending to correspondents only such articles as I know are adapted to their market.

When the amount of Sugar and Molasses ordered is such as to justify it, or when several orders can be combined in the same purchase, it will be made DIRECTLY from the Planters. Thus saving to those ordering a good profit in avoiding the expense of Commissions, &c. &c. incurred in making purchases in the city, filling these orders, including my commissions, at a much less price, than if ordered directly from Houses dealing in these articles, and what is of equal importance, sending you FULL HOGSHEADS of Sugar, (thereby increasing your allowance for tare,) and both Sugar and Molasses in much BETTER ORDER, than if purchased elsewhere than on plantations.

In all branches of this business which may be entrusted to me, the interests of correspondents will be strictly consulted, well knowing that course alone can accomplish the object I have in view, of building up in New Orleans an East Tennessee Commission House.

My charges for making purchases will be 2 1/2 per cent, and for other operations in proportion.

Remittances can be made to me in New Orleans, in drafts drawn on Nashville, or on the Eastern cities, or by making deposits in the different Banks in East Tennessee and enclosing the certificate, or depositing Bank notes with Messrs. BEARDON, SON & CO., of Knoxville, who will remit the same.
