HAVE purchased Moss & Jackson's entire stock of Goods, a large portion of which were just received from New York and Philadelphia, where they were bought at very low prices. Their circumstances are such as to make it absolutely neccessary that they sell for *READY PAY*, and in order to effect that very desirable object, they not only intend to offer goods, but are determined to sell them on, at *LOWER PRICES* than goods of like quality can be purchased in East Tennessee. All they ask of their friends and the public generally, is to call and examine their stock of Dry Goods, Groceries, Hardware, Cutlery, &c., compare prices with those who sell on time, and they think they can convince them that the CASH system is a great saving to the consumer of goods.

I HAVE several times notified those who are indebted to the estate of JOHN F. REEDER, deceased, and, also, who are indebted to me individually, to come forward and settle up, and pay to the uttermost farthing, which has not been attended to by those who are indebted, and I now say, positively, that if settlements are not made, accounts closed up, in a short time, that they will find their notes and accounts in the hands of an officer. The time has come when I am compelled to settle up the estate of John F. Reeder, and consequently, I am compelled to have the money—and seeing the condition that I am placed in, I hope that no one will put me to the necessity of sueing, but that they will obey this last call.

For the Removal and Permanent Cure of all

NERVOUS DISEASES,

And of those Complaints which are caused by an impaired, weakened or miserable condition of the

NERVOUS SYSTEM.

This beautiful and convenient application of the mysterious powers of GALVANISM and MAGNETISM, has been pronounced by distinguished physicians, both in Europe and the United States, to be the most valuable medicinal discovery of the age.

Dr. CHRISTIE'S GALVANIC BELT and MAGNETIC FLUID,

is used with the most perfect and certain success in all cases of

GENERAL DEBILITY

Strengthening the weakened body, giving tone to the various organs, and invigorating the entire system. Also in FITS, CRAMP, PARALYSIS and PALSY, DYSPEPSIA or INDIGESTION, RHEUMATISM, ACUTE and CHRONIC, GOUT, EPILEPSY, LUMBAGO, DEAFNESS, NERVOUS TREMORS, PALPITATION OF THE HEART, APOPLEXY, NEURALGIA, PAINS in the SIDE and CHEST, LIVER COMPLAINT, SPINAL COMPLAINT, and CURVATURE of the SPINE, HIP COMPLAINT, DISEASES of the KIDNEYS, DEFICIENCY OF NERVOUS and PHYSICAL ENERGY, and all NERVOUS DISEASES, which complaints arise from one simple cause—namely,

A Derangement of the Nervous System.

☞ In NERVOUS COMPLAINTS Drugs and Medicines *increase the disease*, for they weaken the vital energies of the already prostrated system; while under the strengthening, life giving, vitalizing influence of Galvanism, as applied by this beautiful and wonderful discovery, the exhausted patient and weakened sufferer is restored to former health, strength, elasticity and vigor.

The great peculiarity and excellence of

Dr. Christie's Galvanic Curatives,

consists in the fact that they correct and cure disease by *natural remedies*—by the use of the vital principle of Galvanism, dispensing with the use of all drugging and physicking—leaving the patient's self-exhausted Nature to make herself well, under the influence of this Galvanism.

They strengthen the whole system, equalize the circulation of the blood, promote the secretions, and cause the sickening change under one circumstances. Since their introduction in the United States, only three years since, more than

60,000 Persons

including all ages, classes and conditions, among which were a large number of ladies, who are peculiarly subject to Nervous Complaints, have been

ENTIRELY AND PERMANENTLY CURED,

when all hope of relief had been given up, and every thing else been tried in vain!

To illustrate the use of the **GALVANIC BELT**, suppose the case of a person afflicted with that bane of civilization, DYSPEPSIA, or any other Chronic or Nervous Disorder. In ordinary cases, stimulants are taken, which, by their action on the nerves and muscles of the stomach, afford *temporary* relief, but which leave the patient in a lower state, and with injured faculties, after the action thus excited has ceased. Now compare this with the effect resulting from the application of the GALVANIC BELT. Take a Dyspeptic sufferer, even in the worse symptoms of an attack, and simply tie the Belt around the body, using the Magnetic Fluid as directed. In a short period the insensible perspiration will act on the positive element of the Belt, thereby causing a Galvanic circulation which will pass on to the negative, and thence back again to the positive, thus keeping up a continuous Galvanic circulation throughout the system. Thus the most severe cases of DYSPEPSIA are PERMANENTLY CURED. A FEW DAYS IS OFTEN AMPLY SUFFICIENT TO ERADICATE THE DISEASE OF YEARS.

CERTIFICATES AND TESTIMONIALS

Of the most Undoubted Character,

From all parts of the Country could be given, sufficient to fill every column in this paper!

AN EXTRAORDINARY CASE,

which conclusively proves that

"Truth is stranger than Fiction."

CURE OF

Rheumatism, Bronchitis and Dyspepsia.

REV. DR. LANDIS, A CLERGYMAN

of New Jersey, of distinguished attainments and exalted reputation:—

SALEM, New Jersey, July 12, 1848.

DR. A. H. CHRISTIE—Dear Sir: You wish to know of me what has been the result in my own case of the application of THE GALVANIC BELT AND NECKLACE. My reply is as follows:

For about twenty years I had been suffering from Dyspepsia. Every year the symptoms became worse, and found I obtain permanent relief from any course of medical treatment whatever. About *fourteen* years since, in consequence of frequent exposure to the weather, in the discharge of my pastoral duties, I became subject to a severe Chronic Rheumatism, which for year after year caused me indescribable anguish. Further, in the winter of '45 and '46, in consequence of preaching a great deal in my own and various other churches in this region, I was attacked by the Bronchitis, which soon became so severe as to require an immediate suspension of my pastoral labors. My nervous system was now thoroughly prostrated and shattered; the Bronchitis became worse, so also did my Dyspepsia and Rheumatic affection—these pressing that train of disorders upon those connected with each other through the medium of the Nervous System. In the whole pharmacopœia there seemed to be no remedial agent which could reach and recuperate my Nervous System; everything that I had tried for this purpose had completely failed. At last I was led by my friends to examine your inventions, and (though with no very sanguine hopes of their efficiency) I determined to try the effect of the application of the GALVANIC BELT AND NECKLACE, with the MAGNETIC FLUID. This was in June, 1846. To MY GREAT ASTONISHMENT, IN TWO DAYS MY DYSPEPSIA HAD GONE; IN EIGHT DAYS I WAS ENABLED TO RESUME MY PASTORAL LABORS; NOR HAVE I SINCE OMITTED A SINGLE SERVICE ON ACCOUNT OF THE BRONCHITIS; AND MY RHEUMATIC AFFECTION HAS ENTIRELY CEASED TO TROUBLE ME. Such is the wonderful and happy results of the experiment.

I have recommended the BELT and FLUID to many who have been likewise suffering from Neuralgic affections. They have tried them, WITH HAPPY RESULTS, I BELIEVE, IN EVERY CASE.

I am, dear sir, very respectfully yours,

ROBERT W. LANDIS.

DR. CHRISTIE'S

GALVANIC NECKLACE

Is used for all complaints affecting the Throat or Head such as Bronchitic Inflammation of the Throat, Nervous and Sick Headache, Dizziness of the Head, Neuralgia in the Face, Buzzing or Roaring in the Ears, Deafness, which is generally Nervous, and that distressed complaint, called Tic Doloreux.

DR. CHRISTIE'S

GALVANIC BRACELETS

Are found of vast service in cases of Convulsions or Fits, Spasmodic Complaints, and general Nervous Affections of the Head and upper extremities. Also in Palsy and Paralysis, and all diseases caused by a deficiency of power or Nervous Energy in the limbs or other organs of the body.

☞ Many hundred Certificates from all parts of the country of the most extraordinary character can be given, if required.

☞ No trouble or inconvenience attends the use of *DR. CHRISTIE'S GALVANIC ARTICLES*, and they may be worn by the most feeble and delicate, with perfect ease and safety. In many cases the sensation attending their use is *highly pleasant and agreeable*. They can be sent to any part of the country.

SADDLERY.

NEW CONCERN!

THE subscribers would respectfully inform the public that they have commenced the SADDLERY and HARNESS MAKING business, in Athens, Tenn., in the back shop on the North side of the Public Square, formerly occupied by James Mayo, where they will keep constantly on hand an assortment of Saddles, Bridles, &c. From long experience in the business they flatter themselves that they can furnish the people of this section with better articles in their line than they have been in the habit of purchasing for the same money.—They use none but the best materials, and all jobs will be executed in a workman-like manner, and those who purchase from them may calculate on getting the worth of their money. By manufacturing good work at low prices, and constant attention to business, they hope to merit and receive a liberal share of public patronage.

RICHARD HALEY & Co.

☞ Feathers, Beeswax, Tallow, Corn, Beef Hides, Pork, Bacon, Linsey, Flax and Tow Linen, &c., taken in exchange for work at market prices.
