Not For Texas.

We haven't the least doubt, but it would work well to remove the Apaches to the territory. Think it over before you decide. The fact is, you are a free man in the state of Texas. You will play the same old game whenever the Apaches are in the territory. You will play the same old game whenever the Apaches are in the territory. You will play the same old game whenever the Apaches are in the territory.
