**WEAKNESS.**

Why will anyone remain weak when they can be made strong?

Everyone should know that the entire human structure is constantly being torn down and rebuilt, the same as in the vegetable world the trees shed their leaves and again put forth new shoots. Now, when the blood becomes too weak to carry to the kidneys and liver this dead tissue that should be removed, the whole system becomes enervated and a distressed feeling of weakness and unnatural fatigue follows. One feels half dead, so to speak, and literally is half dead, the old tissue clinging in

**DO YOU FEEL**

particles throughout the system, preventing the forming of new tissue and the awakening of new life. At such times a medicine that will enliven the blood, remove its sluggishness, fill it with red corpuscles, and strengthen it, is necessary. There is only one such medicine and that is Dr. Bull's Sarsaparilla. Its action on the blood is like the effect of cream on coffee, it makes it good. Do you want to feel the exuberance of perfect health? Do you want to feel strong and full of life in every part? Do you want to increase your self-control and be a perfect man or perfect woman, free from the unnatural tendencies of wasting and debilitating diseases? Then use Dr. Bull's Sarsaparilla. It will make you feel new and full of strength.

T. D. Burrows, Livingston, Ky., writes: "I would now be in my grave had I not used Dr. Bull's Sarsaparilla. I was pale, listless, and so weak that I spent more than

**HALF DEAD?**

half my time lying in bed. My memory was bad. I could not concentrate my mind on business or anything. My nights were restless, and my dreams unnaturally vivid. I lost flesh, and seemed to be wasting away. I grew despondent, and constantly fearful that something evil was going to happen. The smallest cut would run into a sore, and my blood was thin and cold. I heard Bull's Sarsaparilla was a good strengthening medicine, and so gave it a trial. It has made life seem different to me, and filled me with activity, hope and determination, while my health is all I could desire."

Mrs. Lucy Beidel, Lawrenceburg, Ind., writes: "I was weak and nervous, weighed only eighty-six pounds, took twenty-three bottles of Dr. Bull's Sarsaparilla, and grew strong and fat. I now weigh 117 pounds."

"If you love your child, look after its welfare by occasionally giving it Dr. John Bull's Worm Destroyer. They never do harm and will keep it well."

"Smith's Tonic Syrup cures chills and fever after quinine has failed. It is pleasant to take, and never fails to cure. You do yourself a wrong to use quinine or any other child medicine."

**This Is Pretty Good.**

Mr. John C. Goodwin, a carpenter of Danville, Ill., writes: "About two weeks ago a heavy saw log fell upon my foot very badly crushing it, so that I was unable to work at all. I sent for a bottle of Ballard's Snow Liniment and kept my foot well saturated with it. It is now two weeks since this happened, and my foot is nearly well and I am at work. Had I not used Snow Liniment I should have been laid up at least two months. For healing wounds, sprains, sores and bruises it has no equal. No inflammation can exist where Snow Liniment is used. "You can use this letter."

Beware of all white liniments substituted for Snow Liniment. There is no other liniment like Ballard's Snow Liniment. Sold by H. C. Risher & Co.

Mrs. J. R. Miller, of Valparaiso, and J. D. Taylor, of Logansport, Ind., each gained 20 pounds from taking it. Mrs. H. A. Gardner, of Vistula, Ind., was cured of 40 to 50 convulsions a day, and much headache, dizziness, backache and nervous prostration by one bottle. **You Should Not be Without It.**

Every family is liable to have a hereditary taint of consumption in it. It may date back 3 or even 4 generations. This fact makes it necessary always to have on hand a remedy with which to combat this formidable disease. A cough when taken at first can readily be cured before it gets a serious hold on the lungs. Ballard's Horehound Syrup when taken in its early stages will cure consumption. It is guaranteed to bring relief in every case, when used for any affection of the throat, lungs and chest, such as consumption, inflammation of the lungs, bronchitis, asthma, whooping cough, croup, etc. It is pleasant to take, perfectly safe and can always be depended on.
