**Murdered in Song.**  
"Say, Danny, it's tough on youse to a-ter blokkies, ain't it?" was the greeting which recently met a loudly ulstered member of the variety "profess" as he supplemented his morning "draw one" and "stack of wheats" with a classic pose on the Brower House corner.

"What's eatin' yer, me funny friend?" was the haughty response.

"Come now, yer don't mean to say yer haven't heard de news? Why, th Grand Army men all over the country have signed ther pledge to give variety shows ther cold shake!"

"Say, is this on thier dead level?" gasped the ulstered one.

"Yer bet it be."

"But why?"

"Oh, on account of 'Comrades' bein murdered every night. See?"

**Not So Old as She Claimed.**  
Here is a blow at the claims to old age often made by people proud of their burden of years. The New York Sun says that Mrs. Nancy Kennedy, of Hallowell, Me., who, it was supposed, was 118 years of age, is really only ninety-two. She has always asserted that she was married to a soldier of the Revolution during that war, but Dr. Lapham, the Augusta historian, who has investigated the case, has learned that her husband was a soldier of 1812 and that she was born in 1799.

**Gone mad—**the person with bad blood who's not taking Dr. Pierce's Golden Medical Discovery. You are bereft of judgment and good sense if you allow your blood to get out of order, your liver sluggish—life dull, everything blue, for you may soon find out that you're in the grave—or next to it—because you did not procure the G. M. D. soon enough, and some dread disease, may be influenza or consumption, may be typhoid or malarial fever, has taken you. Consumption is Lung Scrofula. For Scrofula in its myriad forms, and for all Liver, Blood and Lung diseases, the "Discovery" is an unequalled remedy. Everybody, now and then, feels "run-down" "played-out,"—with no power to generate vitality, in fact, just too sick to be well. That's where the right kind of medicine comes in, and the "Discovery" does for a dollar what the doctor wouldn't do for less than five or ten.

We claim that nothing like it has been discovered for a blood-purifier. It's guaranteed by the makers. Your money is returned if it doesn't benefit or cure you.
