IS WHAT SUPREME COURT DECIDES.

Louisiana Lottery Company Receives a Hard Blow—Utah's Statehood Likely to Become One of the Political Issues of the Present Congress.

WASHINGTON, Feb. 2.—The United States supreme court this morning decided James a Boyd was a citizen of the United States and entitled to the office of governor of Nebraska.

All the justices except Field concurred in the conclusion.

The opinion of the court is by Chief Justice Fuller.

The Law Is Upheld.

WASHINGTON, Feb. 2.—The death blow was struck the Louisiana Lottery company this morning when the supreme court of the United States unanimously upheld the constitutionality of the anti-lottery postal law, and refused writ of habeas corpus.

This is a great victory for the anti-lottery faction and will create a great sensation in Louisiana.

Wants His Scalp.

WASHINGTON, Feb. 2.—In the house of representatives Arnold of Missouri presented for reference a resolution requesting the president to recall Minister of the United States to Chile Patrick Egan to the end that a reciprocity of the amicable relations between the two countries may be had and maintained.

Supreme Court Allotments.

WASHINGTON, Feb. 2.—The chief justice of the supreme court announced the following allotments among the circuits: First circuit, Horace Gray; second, Samuel Blatchford; third, John M. Harlan; fourth, Melville W. Fuller; fifth, Lucius Q. C. Lamar; sixth, Henry M. Brown; seventh, John M. Harlan; eighth, David J. Brewer; ninth, Stephen J. Field. Adjourned till Feb. 29.

United States Warships.

WASHINGTON, Feb. 2.—The navy department was informed that the United States steamer Concord left Bahia bay Saturday for Montevideo. The flagship Philadelphia is expected to arrive at the last named point in a few days. The Boston and Yorktown are still at Callao, and it is not yet settled whether either or both will be sent to Valparaiso.

Jerry Simpson's Bill.

WASHINGTON, Feb. 2.—Mr. Simpson of Kansas today introduced a bill to promote and encourage agriculture, by authorizing the United States government to lend money on farm land at 2 per cent. interest per annum.

Return of Mexican Flags.

WASHINGTON, Feb. 2.—A joint resolution requesting the president to return to Mexico the flags captured by the United States army during the Mexican war was introduced in the senate and house today.

Statehood for Utah.

WASHINGTON, Feb. 2.—The question of Utah's statehood is likely to become one of the political issues of the present congress. Already a bill is pending in the house committee on foreign affairs for the admission of Utah, and Monday Mr. Bushnell of Wisconsin introduced in the house a resolution stating that Utah had a larger population than the three adjoining states, Wyoming, Idaho and Nevada combined, and declared:

"Whereas, it would seem a part of wisdom to so deal with polygamy as to effectually and finally dispose of it now, while yet it may be easily done, therefore resolved by the senate, the house of representatives of the United States of America in congress assembled (two-thirds of each house concurring therein), that this congress hereby proposes to the legislature of the several states the following amendment to the constitution of the United States, to be known as article 16 of the amendment thereto, to-wit:

Section 1. Polygamy shall never exist within the United States or any place subject to their jurisdiction.

Sec. 2. Congress shall have power to make all needful laws to enforce this article and punish its violation.

Bering Sea Question.

WASHINGTON, Feb. 2.—Sir Julian Pauncefote, British minister, called at the state department with the British Bering sea commissioner, Sir Baden Powell, and Dr. Devon. sioners, who visited Bering sea last summer for the special purpose of investigating the seal industry, and the United States commissioners, Professor Mendenhall of the geodetic survey and Professor Merriam of the agricultural department. It being practically conceded that arbitration cannot be concluded in time to be effective during the coming season, steps will at once be taken to secure a renewal of the modus vivendi of last year, which compact will expire May 1 next.

The Freda Warde Murder.

MEMPHIS, Feb. 2.—Miss Mitchell, the murderess of Freda Warde, and her friend Lillie Johnson were arraigned before Judge Dubose in the criminal court Monday morning. Deputy Clerk Hunter read the indictment, and the accused were called upon to plead. Miss Johnson said: "I am not guilty," and dropped her veil instantaneously. Miss Mitchell was immovable. Not a sound escaped her lips. Colonel Gantt of the counsel for the defense, interposed in her behalf, saying, "Your honor, we plead not guilty as to Lillie Johnson and present insanity as to Alice Mitchell."

The prisoners were then remanded to jail. The defense will present the plea in Miss Mitchell's case in due form sometime this week. It is their intention to summon a number of medical experts to testify before an inquisition of lunacy. No application for bail for Miss Johnson will be made if the case is set for trial at an early day.

A Fatal Accident.

MOBILE, Feb. 2.—Two young colored men, Thomas Jeemes and Wilson Henderson, were playing with each other. Jeemes had a revolver in his hand while Henderson had a shotgun. The gun was discharged, the shot striking Jeemes over the left eye, blowing his brains out. The victim lived three-quarters of an hour after the accident. Henderson has been arrested and claims that he did not know the gun was loaded.

Death Before Divorce.

KEOKUK, Io., Feb. 2.—Nick Schouten commenced proceedings today to secure a divorce from his wife. About noon he received a telegram from his wife's mother, Mrs. L. A. Moegan, at Neosho, Mo., saying his wife could not live, and asking him to come at once. A later telegram stated she was dead. The supposition is that it was a case of suicide. Schouten alleged infidelity on the part of his wife, and, while only one co-respondent was named, it is claimed there would have been racy developments, implicating several prominent people, had the case come to trial.
