### BIG FIGHT TONIGHT.

THE MAHER-FITZSIMMONS CONTEST IN NEW ORLEANS.

Odd Money Bet on Fitz—A Large Crowd waiting to See the Fight—Five Hundred Ticket Holders Refused to Attend the Burke-Needham Fight and Demanded a Return of their Money.

NEW ORLEANS, March 2.—The Maher-Fitzsimmons fight, which takes place to-night before the Olympic Club, is the all-absorbing topic among the dense crowd of sports assembled in the corridor of the St. Charles Hotel and club house this morning. Maher, accompanied by Billy Madden, arrived yesterday and is keeping his identity a secret. His friends say he is mingling with the crowd at the St. Charles Hotel. His antagonist, Bob Fitzsimmons, arrived this morning from Bay St. Louis with his second, backers and friends. He was met at the depot by hundreds of his admirers, who followed him through the streets of the city. He looks in fine condition and says he will enter the ring weighing 170, while Maher will pull the beam to 180. An even money bet was posted in the hotel rooms this morning until Fitzsimmons arrived, when odds were 9 to 10 in favor of Fitzsimmons. Maher says he will push the fight from the word go, and try to best his man inside of six rounds. Charley Mitchell is in the city, and it is rumored that Governor Stone of Mississippi has sent detectives here to arrest him for his connection with the Sullivan-Kilrain fight.

Five hundred people holding tickets to the Ryan-Needham fight last night did not go, and are demanding the return of their money from the Metropolitan Club, which will be returned to them.

### FATHER AND SON KILLED.

The Manner of Conducting Elections in Tennessee.

MEMPHIS, TENN., March 2.—A double murder was committed at Fayette Corner in Hardemann county, Tenn., yesterday, a father and son falling victims to the bullets of the assassins. A Democratic primary was in progress when Tom Rogers, a young man went up to the poll and offered to vote. He tendered his ballot to one of the officers of the election but instead of depositing the vote in the box, that person said Rogers was a Republican and had no right to vote. With that he took the ticket up and tore it to pieces and stamped on them. Sam Hunter a bystander drew his pistol and shot young Rogers in the head killing him instantly and then shot old man Rogers who was standing near by. The father is resting easy at last account. It is not known whether or not the murderer has been captured.

### CLEVELAND LEADS.

He Will Get Thirty Votes More Than Hill.

NEW YORK, March 2.—The Heralds Washington correspondent has been preparing a table showing the presidential preferences of state delegations to the Democratic national convention. The figures are based upon interviews with the congressional representatives of the states in Washington. The computation is made on the basis of 900 delegates in the national convention of which the Heralds man classification "upon competent and quoted authority" is as follows: Hill 235, Cleveland 265, for some western man 350. Cleveland seems to be the choice of fifteen states, they are California, Connecticut, Delaware, Maine, Massachusetts, Minnesota, New Hampshire, Ohio, Rhode Island, South Dakota, Vermont, Virginia, Washington, West Virginia, and Wisconsin. Hill is said to be the choice of ten states. They are Colorado, Florida, Idaho, Maryland, Mississippi, New Jersey, New York, Pennsylvania, South Carolina and Texas. Geographically the Hill states are southern states 5, middle states 3, western states 2, politically 7 are Democratic and 3 Republican.
