*Had not Slept for Years.*

Mr. A. Jackson, an old resident of Rusk, Texas, and manager of the magnificent new hotel of Rusk, informs us he had not slept at night for years except in shot naps, owing to incessant coughing. He was advised when very much run down to try Ballard's Horehound Syrup; he was immediate relieved of his Cough and his rest improved to such a degree that he could sleep soundly all night; Mr. Jackson states: "I regard Ballard's Horehound Syrup supperior to any Cough Syrup on the market, and its freedom from Opium and Morphine leaves no constipation after using it. For this reason alone I consider it the best Cough Syrup in the world for children. My Lungs are now stronger than they have been for years. This Syrup is very soothing to the throat and lungs."

**Bought Cheap.**

One of the largest purchases made in Waco for some months was the purchase on Tuesday of the entire stock of wagons and agricultural implements of S. A. Owens & Son, sold by the United States marshal to the highest bidder. Mr. W. E Dupree was the purchaser for spot cash at a very low price. This big stock added to his own, makes the biggest stock of agricultural implements in Central Texas at his great houses, 101 and 105 Bridge street. His big stock embraces all the popular brands of wagons, plows, cultivators, corn and cotton planters and everything else in the agricultural implement line. His late purchase gives him a big lever in prices and Dupree's agricultural house is the best place to buy farmers' goods in the state.

# BOARD OF TRADE.

## An Interesting Communication From Citizens

## OF ANSON JONES COUNTY.

**Asking for an Extension of the Texas Central to that Place. The Matter Referred to Manager Hamilton—Report of the Secretary of the Board of Trade.**

The Board of Trade met in regular session last night and persuant to announcement, in yesterday's NEWS Mr. J. B Scarborough presented a communication from Messers Frank M. Gimble president of bank of Austin, C M. Christenberry attorney at law, F. L. Knox & Co., bankers and druggists, L. M. Brice attorney at law, J. M. Hanna and Martin Duval surveyors and civil engineers.

The communication sets forth the advantages that would result to Waco by securing direct railway connection with that section. The paper says in part:

The country referred to does business now almost exclusively with Fort Worth and Dallas, shipping to and from Abilene, in Taylor county, over the Texas and Pacific railway. The trade of this territory fails to reach you from the fact that a troublesome change and delay is met with at Cisco. If the road (Texas Central) was extended to Anson, all the territory mentioned above would reach the road at this and other convenient points from the fact that this would be the nearest and most accessible route to all points within the territory, and once shipped, it would reach you for the same reasons that it now takes the direction of Fort Worth and Dallas We are anxious to have a road into our country. We want your business men, and the management of the railrood company, to know of our development and our future prospects. We wish to set fairly before you what we are and what we may be, believing that you, with us, will see that it is to your interest as well as ours to aid in securing this extension, of a road to your own city. We would in this connection ask your honorable body to appoint a delegation to visit us, and satisfy yourselves as to our resources and if satisfied that the connection would be beneficial to yourselves we would ask your influence and assistance in inducing the company to extend.

* * *

If you can visit us, kindly advise us as to your wishes and the place that you would have us meet you, and we will gladly meet you, and give all information in our power. As we are so fortunate as to be acquainted with Mr. J. B Scarborough an attorney of your city, we have requested him to present this letter to your honorable body and give such information as he possesses in regard to the country and people.

The paper was referred to General Manager Charles Hamilton of the Texas Central,

The following committee was appointed to go to Albany, where they would be met by citizens of Anson with conveyances:

Col. R. B. Parrott, chairman; Messrs. Ed Rotan, Eugene Williams, Sam Sanger, J. S. McLendon, W. L. Prather, S. W. Slayden, Travis F. Jones, H. Behrens, James B. Baker, J. B. Scarborough and C. C. McCulloch.

The following report was received:

WACO, Tex., Dec., 19, 1891.

Col. R. B. Parrott, President Waco Board of Trade:

The committee to which was referred the matter of auditing the accounts of the secretary, made the following report:

Collected from January 1st to November 30, 1891, (per books), $2,505.80, paid to treasurer and accounts (per vouchers), $1,505 80. We find the books and statements correct, vouchers being taken for all moneys paid out. The assets of the board are such that all liabilities could be liquidated and leave a surplus in the treasury if all members would pay dues to December 1st, 1891.

Respectfully submitted,
JNO. T. BATTLE,
SAM SANGER,
BART MOORE,
Committee.

### THIRD WARD MEETING.

**Mr. Lee Slaughter Again Nominated by Unanimous Vote.**

There was an enthusiastic assemblage of Third ward voters at Padgitt's park last night, who met to nominate an alderman in pursuance of a call of Mr. Frank Cravens, chairman of the Young Men's Reform club in that ward.

The meeting was called to order by Mr. F. R. Cravens and purposes stated in connection with a hearty welcome to all voters present to enroll themselves as members of the club, which was responded to by the addition of seventy seven new names.

A motion was then made and carried that nominations for alderman be declared in order.

Mr. James I. Moore, after a few explanatory remarks as to the course the gentleman whose name he was going to place in nomination had taken since the previous ward meeting, and giving excellent reasons for the same, again placed before the club the name of Mr. Lee Slaughter as candidate for alderman from the Third ward. And continuing. Mr. Moore paid his nominee a very high compliment, speaking in the highest words of commendation. This was met by a general manifestation of approval by the body, who by a rising vote declared Mr. Slaughter as its nominee and authorizing the secretary to cast their ballot as a unit. The club then adjourned, feeling that their delay had now been fully justified.

Mr. Slaughter was present at the meeting and accepted the nomination.

**GOOD MEASURE.**

**Yes, good measure, pressed down and running over.**

Some of these little proprietors of sarsaparillas put up in half-pint bottles are envious of the increasing popularity of Dr. John Bull's Sarsaparilla, put up as it is in large quart bottles, and intimate that theirs is more concentrated. This is as false as deceit can be. A teaspoonful of Bull's Sarsaparilla contains more concentrated medicinal virtue than a tablespoonful of any other sarsaparilla made. A bottle of Dr. John Bull's Sarsaparilla contains six times the curative virtue of a bottle of any other blood purifier made. No exception is made. Now an invalid wants his money's worth. He wants good measure. Therefore, unless misled through ignorance, when his system needs a blood purifier, when his system needs a tonic, when his system is breaking down from blood impurity or some wasting disease, he will demand of his druggist a bottle of Bull's Sarsaparilla, and on no occasion be persuaded to take anything that may be offered in its stead as being "just as good." There is no other remedy so good as Bull's Sarsaparilla for such diseases as scrofula, syphilitic affections, salt-rheum, itch, eczema, pimples, sores, rheumatism, lame back, swollen joints, aching muscles, nervous weakness, nervous debility, loss of appetite, loss of flesh, loss of strength, sleeplessness, premature old age, etc.

**A GOOD**

**INVESTMENT.**

T. B. Woodruff, Jeffersonville, Ind., writes: "For ten years I had been an invalid. I became a chronic medicine taker. There is not a blood remedy or a tonic advertised that I did not try. From none of them did I derive any permanent good. I became discouraged. My system was full of blood impurities. My skin was covered in places with brown patches and little sores. My muscles had lost their strength. I was very weak. My appetite and digestion were miserable. I kept growing worse and worse until I began to use Dr. Bull's Sarsaparilla. I then began to rally at once, and grew stronger and stronger. I have now used probably 30 bottles, and my improvement in looks and feeling is so great I seem like another person. I am now well and strong, and give the whole credit of my recovery to Dr. Bull's Sarsaparilla."

Your children will be more healthy, happy and pretty, if you occasionally give them Dr. John Bull's Worm Destroyers. Try them. Price 25 cents.

When you have chills and fever, if you want a sure cure and one that does not taste bad, take Smith's Tonic Syrup. It will please you better than quinine or any other chill medicine.
