 of the construction of the Dummy

 last term of this court and judgment
 rendered in favor of the plaintiff for
 the amount sued for. A motion for a
 new trial was granted and the case is

COLORED CITIZENS
**Meet in Convention at the Cour
 House.**
 There was a meeting of colored
 citizens in the district court room last
 night. L. M. Sublett was elected
 chairman and H. T. Walker secretary.
 The convention as first organized
 was a Republican body for the dis-
 cussion of party interests. Richard
 Felson, R. T. Thompson, B. J. Henry,
 Ben Wallace and others addressed
 the meeting and after speaking
 at length on the great question of the
 Lily Whites vs. the shady side of the
 Republican Party, the meeting re-
 solved itself into a mass meeting on
 the good of the city. Sublett still
 presided, but Walker was succeeded
 by Jake Green, a mulatto kid. The
 subjects of city politics in general and
 colored schools in particular were dis-
 cussed with more vehemence than
 lucidness, but the fact was gleaned
 that the colored people were, in the
 opinion of the speakers, cramped in
 their school rooms, and have not a
 sufficient number of teachers. A
 cemetery was also demanded.
 The meeting adjourned at a late
 hour after organizing permanently and
 agreeing to hold weekly meetings.

The Gabert Bros. have the largest

A Mystery Explained.
 The papers contain frequent noti-
 ces of rich, pretty and educated girls
 eloping with negroes, tramps and
 coachmen. The well-known special-
 ist, Dr. Franklin Miles, says all such
 girls are more or less hysterical, ner-
 vous, very impulsive, unbalanced;
 usually subject to headache, neuralgia,
 sleeplessness, immoderate crying or
 laughing. These show a weak ner-
 vous system for which there is no
 remedy equal to Restorative Nervine.
