Major John F. Merbert.

By reference to our announcement column it will be seen that Major John F. Herbert is a candidate for mayor at the ensuing city election. Major Herbert has served several terms as alderman from the Fifth ward and was the unanimous choice of the Reform club of that ward for re-election. He was elected by the city council mayor pro tem. a year ago and has, in all instances when the mayor was absent performed the duties of the office of mayor with ability and courage. His discharge of the duties of police judge when his services were required, has won for him general favor, and coupled with his watchful regard for every interest of the city while acting as her chief executive brings him before the people of Waco as a safe and reliable man, one to whom it would be safe to intrust the the responsible position of mayor.
