THE MASS MEETING.

An Immense Gathering at the City Hall.

The mass meeting at the city hall last night was the largest one of the whole campaign. The five candidates for mayor and Messrs. Poage and Booth, candidates for aldermen, spoke. Mr. Winder also made some replies to an attack made upon him last Saturday night. The meeting, after the first few speeches, was an uproarious one, the friends of each candidate conspiring to keep his opponents from being heard. Bill Poage, of the First ward, made the speech that brought down the house.

Mr. Radney was chairman of the meeting and the newspaper reporters secretaries.

BASE BALL.

Best Game of the Season Played Sunday, Score, 7 to 6.—Notes.

The best game of best ball seen on the Waco diamond this season was played Sunday between the Lone Stars and Majors, resulting in a score of 7 to 6 in favor of the Lone Stars. There was a very heavy wind blowing and it caused the boys to use some very good judgement when catching the ball.

A good crowd witnessed the game, among the number being several ladies, and everybody showed their appreciation by repeated cheers.

Up to the sixth inning the score stood 1 to 1, but in the first half of the sixth the Majors got in a run.

The Lone Stars went to the bat and from repeated errors of the Majors they made five runs, making the score 6 to 2.

The Majors were not to be outdone by this, so they waited for their chance. It came in the ninth inning. Clay, Buchannan, Smith and Spenceer all scored, which made a tie 6 and 6.

The Lone Stars had the last inning, and when they went to the bat Blanchart made the winning run, amid cheers of applause from the audience.

NOTES.

Eddy vs. Waco next Sunday.

The national game is becoming quite interesting in Waco.

Lunsford is the best amateur pitcher in the state.

The long run by Blanchart in center field was a noticeable feature of the game.

Darrah is just simply "out of sight."

Richards did excellent work on first base.

With Spenceer as short stop the ball never passed by.

Hughston is the "onliest" left fielder.

Two double plays to Darrah's credit.

Sheffer's work on third base was often cheered.

Used up.

It's the only way to use some things, but it's a bad condition for a man or woman. It means disease. Take Dr. Pierce's Golden Medical Discovery. That means health. It invigorates the liver and kidneys, purifies the blood and cleanses and renews the whole system. For all scrofulous humors and blood-taints, and even consumption (or lung-scurfula), if taken in time, it's a positive remedy. It's a guaranteed one. In all diseases of the liver, blood and lungs, it's warranted to benefit or cure, or the money is refunded. No other medicine of its class is sold, through druggists, on this peculiar plan. You can judge why. You only pay for the good you get.

A Wonder Worker.

Mr. Frank Huffman, a young man of Burlington, Ohio, states that he had been under the care of two prominent physicians, and used their treatment until he was not able to get around. They pronounced his case to be consumption and incurable. He was persuaded to try Dr. King's New Discovery for consumption, coughs, and colds and at that time was not able to walk across the street without resting. He found, before he had used half of a dollar bottle, that he was much better; he continued to use it and today enjoys good health. If you have any throat, lung or chest trouble try it. We guarantee satisfaction. Trial bottle free at W. B. Morrison & Co.'s drug store.

Strange as it may seem, the question is often asked; "Do you furnish meals for men also, at the Woman's Exchange?" Consignments of all kinds of eatables, needle work, and orders for plain sewing solicited from women alone. The Exchange furnishes a market for all such from women who wish to help themselves; but the eating department of the Exchange is open to men and women both, as it is only the method to defray expenses. All gentlemen who wish to see a worthy institution succeed, call and get a nice meal.
