What I Know About Hardware and Our Artesian Wells.

There is no doubt that our artesian water comes from a higher level than the highest point in and around Waco for water positively refuses to run up hill of its own accord. As the slope of the country is from northwest to southeast, there are strong grounds to believe that the underground waters follows the same course, like the rivers. Rains falling on the sandy plains of the northwest find their way between fissures of rock into beds of sand and gravel. This natural filter removes every particle of organic matter. When tapped here, the water has only a few harmless minerals in solution which it has picked up in its long underground route. The value of these wells to Waco and Texas is incalculable. While we have in the city the best and cheapest water it may revolutionize farming. The farmer may tap an inexhaustible reservoir to drench his crops, instead of depending on the fickle Texas rains. I am still in the screen business and can furnish you all kinds and sizes of doors and window frames at bottom prices. I have a large stock of spring hinges, Torey springs, green and rust-proof wire cloth. In lawn mowers I can give you the best at the lowest price. Have you ever been troubled with leaky hose? Try my solid seamless rubber tube hose. It will not leak.

IT SAVED HIS LIFE.

What Padgitt's Hot Baths Did for a New Yorker.

WACO, Texas, April 14, 1892.

Tom Padgitt, Esq;

Dear Sir.—I arrived in your city last November with influenza or rheumatism, my lungs also being affected with rheumatic fever. I was given up to die and sent to Texas to prolong my life. Hearing of the benefits derived from the artesian baths in your sanatorium, I went through a course of twenty-one baths. Before I undertook to take the baths I weighed 106 pounds, was very sick, with a poor appetite. After the tenth bath I could eat four good meals every day. I weigh today 123 pound, am in the best of health and will start for New York June, thanking you and all the people in Waco for the benefit I derived in your city since I have been here. Very respectfully,

JAMES GREEHY.

The Advantages of Buying From Us Are:

We are cash buyers, have the choice of the entire Piano industry to select from; we are agents for the best first class instruments as well as the best medium grade, we do a larger business than the other sixty dealers in Texas combined; we have been established over twenty-five years and cannot afford to jeopardize our good name by misrepresenting the quality of instruments, or taking advantage of any one for the sake of gaining a few dollars; we are in business to stay; we do not ask for notes on time sales; our large business enables us to give better value for less money than small dealers, our guarantee is absolute safety, and protection to buyers. Our responsibility unquestioned. We will mail catalogues and price lists, and courteously answer all correspondence.

Hundreds of fathers who are no buying medicine for their babies at the Old Corner drug store, themselves took medicine bought for them at the same old corner by their fathers when they were children. Things come and go but the Old Corner drug store remains forever.
