COUNTY DEMOCRACY.

MEETING OF THE EXECUTIVE COMMITTEE TODAY.

Third Partyites Knocked Out the First Round—A Pledge to Support the Nominees a Test of Eligibility to Vote at the Primary Elections—Unknown Parties Must be Vouched for—The Line Strictly Drawn.

The McLennan county Democratic executive committee met this morning pursuant to a call of chairman John F. Flint.

A letter from Mr. W. C. O'Bryan, member of the committee of the McGregor precinct, stating his inability to be present and requesting that the meeting be postponed till a later date, was read. It was not thought advisable to postpone the present meeting and business proceeded, with the following members of the committee present: John F. Flint, chairman, James A. Harrison, of Waco; M. R. Carroll, of Ross; E. D. Martin, of Bosqueville; E. W. Punchard, of Harrison.

Hon. C. B. Gerald was present and was granted permission to speak.

He stated McLennan county was only granted eight representatives to the congressional convention while other counties in the district containing many less Democratic voters were allowed many more, which was unjust to himself. He therefore requested that the committee, if possible, see that this county have her proper representation.

A committee from the Clark club, composed of Captain A. J. Caruthers, Captain D. Herring, Mr. Charlie Westbrook and J. W. Davis, Esq. was present and requested to be heard with regard to the proper rules for the government of the primaries. Captain Caruthers stated that there was a number of political organizations in this county who had turned their backs upon the Democratic party and who, he was credibly informed, had decided to affiliate with the Democrats by voting at the primary elections and then vote for whom they pleased afterwards. Some of the organizations called themselves Jeffersonian Democrats, and others Third partyites. He granted them the right to think as they please and to quit our party if they please, but not vote at our primary elections and then if the nominee didn't suit them to vote at the general election for someone else. Such action he thought dishonest in every way and that plain rules should be prescribed to the effect that all those who desired to vote at the primaries could do so only by pledging themselves to support the nominees of the party.

Mr. James A. Harrison also thought the primaries should be well guarded and our party lines plainly marked out and the test rigidly applied.

J. W. Davis, Esq., stated that this was a family fight in which no one but members of the family had a right to participate. The best and nerviest men in the various precincts should be selected to preside over the primaries who would fearlessly apply the test and allow none to vote who would not pledge themselves to support the nominees.

Mr. M. R. Carroll, of Ross, stated that there was a number of third partyites at his box over which he presided at the last election. He asked them the following questions: "Do you believe in the true principles of Democracy, if so will you support the nominees of the party?"

Mr. Charlie Westbrook stated that Mr. E. T. Cox and the other third partyites at Lorena had entered into a compact to defeat Clark at the primaries at that box and then to vote against him whether he received the nomination or not. He believed in pledging them to support the nominees or prohibit them from voting at the primaries.

Mr. E. D. Martin wanted registration and thought it the surest way to get the will of the people at the polls, but this method could not be adopted now on account of the expense. He thought the pledge should be administered and the presiding officer backed up in enforcing it.

The following resolution was offered by Mr. L. P. Field, of Bruceville:

Whereas, There has been organized in different portions of this county what is known as the "Third Party," who endorsed the St. Louis and Ocala platforms and who are also known in some localities as Jeffersonian Democrats but on a separate and distinct organization from and in direct opposition to the old Democracy and who have called a convention to meet in Dallas on the 16th of January to nominate a state ticket in opposition to the true Democratic ticket, therefore, be it

Resolved, That the judges of the primaries to be held in this county on July 9, 1892, are hereby instructed to allow no one to vote in the Democratic primaries whose names appear on the club lists of the third party, or the St. Louis-Ocala platform party or Jeffersonians, or who are known to be third party men unless said voters renounce their allegiance to said party or parties and pledge their support to the nominees of old, tried and true Democracy.

Mr. James A. Harrison, of Waco, raised the point of order that a sub-committee had been appointed whose business it was to present such resolutions.

Mr. Field stated that from letters he had seen and from other evidences he in his possession he did not think certain members of that committee intended to report.

Mr. Caruthers suggested that it would be dangerous to delay action in this matter and that anything a sub-committee could do certainly the whole body which created that committee could do.

E. D. Martin moved that in view of the fact the sub-committee had made no report that it be discharged. Carried unanimously.

The above resolution offered by Mr. Field was then upon motion unanimously adopted.

Moved by Jas. A. Harrison that the judges are instructed to put the questions to each and every voter as to whether he is a Democrat and will support all the nominees of the party and in case a party presents his vote, the judges of election shall not accept same unless the voter is known by the judges to reside in that voting precinct, or is so vouched for by some reputable person known to the judges. Carried.

The following resolution was offered by Mr. E. W. Punchard, of Harrison, and unanimously adopted:

Resolved, That each member of the executive committee select a chair-

man at the different polling places in their respective precincts to preside over the Democratic mass meetings called to select delegates to a county convention to be held May 14, which said convention elects delegates to the Lampasas convention and the Congressional convention.

Be it further resolved, That said chairmen are hereby required to exclude from participating in said mass meetings all parties who will not give the pledges adopted by the committee this day.

The meeting then adjourned subject to a call of the chairman.

Parties having rooms for rent during the druggists convention, which meets on the 10th, 11th and 12th inst., should report to Mr. W. L. Tucker. If the hotels are crowded, he will be able to supply those who are unable to obtain rooms.
