Pronounced Hopeless, Yet Saved.

From a letter written by Mrs. Ada E. Hurd to Groton, S. D., we quote: "Was taken with a bad cold, which settled upon my lungs, cough set in and finally terminated in consumption. Four doctors gave me up, saying that I could live but a short time. I gave myself up to my Saviour. Determined if I could not stay with my friends on earth I would meet my absent ones above. My husband was advised to get Dr. King's New Discovery for Consumption, Coughs and Colds. I gave it a trial, took in all eight bottles; it has cured me and thank God I am now a well and hearty woman." Trial bottles free at W. B. Morrison & Co's. drugstore, regular size 50c and \$1.00.

The Sworn Tormentors of the Inquisition.

What cared they for the groans of the victim as he lay stretched upon the rack? Yet people whose hearts are neither as hard as the nether mill stone, nor whose fortitude is excessive, often have no pity on themselves—voluntarily incur life-long torture by neglect. Rheumatism, the most agonizing and obstinate of complaints is, perhaps, more frequently neglected in its incipency than any other, the preliminary twinges being set down to the credit of "a cold in the bones" which will pass away of itself. Singular fatuity—fatal delusion! Hostetter's Stomach Bitters is a potent safeguard against the terrible inroads of this insidious and dangerous malady—dangerous because of its proneness to attack the heart, the seat of life. Neuralgia is also effectually counteracted and relieved by the Bitters. Malaria, kidney complaints, debility, indigestion, biliousness, la grippe, loss of appetite and the inability to sleep are among the complaints eradicable with this genial corrective.

Extras for Buggies.

Carriage and buggy tops, carriage and buggy wheels, buggy bodies, cushions, lazy backs, springs, 5th wheels, shaft shackles, prop nuts, prop joints, oots, storm aprons, shaft tips, single trees, shafts in pairs or odd, poles, breast yokes, pole circles, dashes, dash rails, seat handles, etc, cart wheels and springs, at
T. P. SPARKS & SON'S.

Tom Padgett bought the entire stock of buggies and carriages at the S. A. Owens & Son, United States Marshal's sale at almost nothing. A large number of them have been sold but he has still a few on hand which he offers still at remarkably low prices. It is a chance for a person of small means to buy a nice buggy and enable his wife to put on style over her less fortunate neighbors.

Do they annoy you? What? Why the flies. Do you want to keep them out? Get your screen doors and windows from Curtis & Orand.
