To Stay or to be Slain. Which?

To attack the dragon of disease and annihilate him before his deadly talons grow, or to allow him to attain dangerous maturity and destroy us—that is the question of paramount importance to all afflicted with organic ailments. Among these, disorders of the kidneys and bladder are of the fatal order if unrestrained at the outset. Their growth is rapid, their culmination death. Bright's disease, ordinarily nephritis, diabetes, catarrh of the bladder, gravel, suppression of the secretion, cannot be tampered with or disregarded safely. Hostetter's Stomach Bitters is a superb depurative tonic, giving the due impulse, without excitation to the renal organs, besides strengthening and regulating them in common with the rest of the system. It infuses, too, vigor and regularity into the stomach, bowels and liver, successfully counteracts malaria and rheumatism, and is a pre-eminently fine tonic for the aged, the enfeebled and the convalescent.

Ladies.

We will be glad at any time to call at your home and make an estimate on screening your house. Remember, we can do work as cheap as any one else. Our work is our recommendation. Leave your name and address at our branch office in McKennon Bros. & Co's Drug Store, corner Fourth and Frankling streets. Telephone No. 116

AN ORDINANCE.

An Ordinance Authorizing and Empowering the Missouri, Kansas & Texas Railway Company to Construct a Switch or Spur on Jackson Street, Aer ss Tenth Street. Be it ordained by the City Council of the City of Waco:

Sec. 1. That the Missouri Kansas & Texas Railway Company, be and it is hereby authorized and empowered to construct, maintain and operate a switch or spur connecting with its switch or spur now running from its main track from near the eastern edge of Tenth street to the eastern edge of Eleventh street, at a point at or near the Western edge of Tenth street; thence along Jackson street and the property line to the western edge of the alley between Ninth and Tenth streets

Sec. 2. Before said Railway Company shall be authorized to construct said spur or switch it shall apply to the city engineer of Waco and obtain from him the proper grade of said street, and said track shall be constructed under the direction and supervision of the city engineer, and shall conform to the grade given by said engineer; and before said railway company shall be permitted to use said spur or switch, it shall place on each side of the rails of said track, where the same crosses or is laid in said Jackson and Tenth streets a piece of timber two or more inches thick and six or more inches in width, and shall fill in between the two rails and between the main track and the spur or switch so constructed, with stone and gravel, as directed by the city engineer, and grade Tenth street where said switch or spur crosses it, so as to make the surface of the street level with the top of the rails of said roads.

Sec. 3. It shall be the duty of said railway company to at all times keep said spur or switch and the main track in good repair and well ballasted with stone and gravel, and it shall at no time allow any cars, engines or other obstructions to occupy or remain on that portion of said spur or switch which lies between the main line of said track and the outside edge of the sidewalk, along said Jackson street.

Sec. 4. If at any time said railway company shall fail or refuse to keep said track and the street between the spur or switch and the main track in good order, or shall fail or refuse to repair the same when requested to do so by the city marshal, or mayor, or street commissioners of said city, then the city council may by a resolution adopted and spread upon the minutes of said city, revoke the franchise and repeal this ordinance and all rights, privileges and benefits granted said railway company herein shall be withdrawn.

Sec. 5 This ordinance shall take effect and be in force from and after its passage.

Passed May 14, 1892.
Attest.

For Sale—A Rare Bargain.

I have a complete set of abstract books of the deed records of the city of Waco and its suburbs, consisting of thirteen large volumes with ample room to keep the records for twenty years brought down to date. These books I wish to sell and will let them go at a bargain for cash, or I will trade them for real estate in the city of Waco. Not being able to get a suitable man to make out abstracts and keep the books, and being unable to give the necessary time to the books myself, is my reason for wanting to sell. If desired I can furnish desk room and vault room for the books in my office for the purchaser. This is a splendid opportunity for a man to start up a good business. The right kind of a man can get a bargain, not only in these abstract books, but in city real estate. My list of bargains cannot be equaled. Call and see me. Office in Pacific hotel building. JAMES I MOORE.
