A Mother's Mistake.
Mothers frequently make a mistake
in neglecting the cough of a child. A
Fort Wayne, Ind., lady writes: My
little daughter 6-years old had a severe
cough but as it was nothing unusual I
thought nothing of it, and allowed it
to run on for 4 or 5 weeks, when it
became so obstinate she began losing
flesh. I called in a physician who
treated her three weeks without bene-
fit. A neighbor insisted upon my try-
ing Ballard's Horehound Syrup; it re-
lieved her from the first dose and she
began gaining flesh rapidly, when we
had used two bottles her cough had
entirely disappeared. I would not be
without it. It does not constipate my
children. Ballard's Horehound Syrup
is free from Opium. It's the most
soothing throat and lung medicine in
the world. Price 50c. and \$1.00. Sold

THE NEWS was called on yesterday,
by Mr. Albert C. Hopkins, of Nashua,
Iowa, president of the Pansy society,
which, he explained, was organized
for the specific purpose of making the
Pansy, which they name the Children's
flower, the national floral emblem, and
establishing it, officially, in the U. S.
flag as shown in the illustration.
Mr. Hopkins' claim is that the pansy
is the most representative
flower of the floral world, being, bred
in every shade and color, which can
not be said of any other flower. It
therefore becomes the best possible
representative of a nation that, in its
government, its citizenship, its
climate and its different races of men,
is the most representative nation of the
world. It is both a modest and a
brilliant flower, and its name is a
whole volume in itself. Pansy means
thoughts, and bright, cultured, edu-
cated, trained thoughts are plainly
fitted to teach and to rule the world.
The motto fits the flower, 'Union,
culture and peace.' We present be-
low the address which has been re-
cently issued and which is being pub-
lished throughout the country. The
whole subject appears to be well
worthy of attention.

ADDRESS TO THE SCHOOL CHILDREN OF
THE UNITED STATES.
DEAR CHILDREN:—We wish to
show you how certainly you are offer-
ed the largest privilege ever offered
to the children of any generation in
the history of the world.

You may, if you will, elect to the
highest office, and inaugurate and
place in the highest position—the
blue sky of the United States flag—
with the most beautiful, imposing and
memorable ceremony, the first teach-
er of the nation and of the earth.

You can, by simply asking, secure
the adoption of the most beautiful
emblem of the world, establish it
officially in the United States flag and
most fittingly celebrate the inaugura-
tion of its reign, on the birthday of
American Liberty, at the great World
Exposition in 1893.

You can do more than this. You
can secure the erection, by the
government and the city of Chicago,
of a permanent and beautiful structure
which shall commemorate, as long as
the Republic shall endure, the history
of this event.

To do this, it needs only the simpl-
est possible organization and a united
effort. This we offer you in our soci-
ety, and ask you to see that no child
in all the land is too poor to join it,
nor too rich, and that no one can
afford to be left out.

Think what a large and just pride
you will feel, as children and as men
and women, during your whole lives,
in having made the national floral
emblem, with its motto of "Union,
Culture and Peace," the best teaching
of this or any age, and given it the
loftiest place from which to teach its
lesson to the world. Think with what
a thrill of pride you will see it in
every school room of the great Rep-
ublic, in every land and on every
sea of the wide earth.

After that you will not need to ask
yourselves, "is it worth doing?" You
will say, rather, "let us hasten to do it
in time to make it the most beautiful
feature of the great Fair."

The definite plan and method of
organization will be sent to any one
upon application to the national
society, with one cent stamp, for re-
turn postage.

All patriotic citizens, as well as all
children, are cordially invited to take
an interest in this movement, and to
join and assist in the formation of
local societies.

We remain, with the most sincere
respect and regard,
The Pansy Society of America.

plause.

Two Well Known and Popular
Young People Join Hands for
Life.

Temple Rodef Sholem was crowd-
ed last night with the many friends of
Mr. W. V. Lyons and Miss Julia
Weil. In all the Jewish society in
Waco there are not two better known
or more popular than these two young
people and as many as possible gath-
ered to hear Rabbi Meyer pronounce
the ceremony which joined the two
for life. The bridal party arrived at
the church shortly after 8 o'clock and
Rabbi Meyer pronounced the beauti-
ful and impressive ceremony accord-
ing to the Jewish rite. At the con-
clusion of the ceremony the bridal
party repaired to the residence of the
bride's parents, on Columbus street,
where the reception was held and an
elegant repast served. The festivities
were continued until a late hour. The
young people will be absent several
weeks on their wedding tour. Friends
of the young couple sent many a
tasty and valuable souvenir to re-
member the occasion by. THE NEWS
wishes Mr. and Mrs. Lyons a long life
of unalloyed happiness.

Solomon's Horses.

By a great many people Arabia is
supposed to be the home of the
horse. From ancient Roman, Grecian
and Jewish history we readily
learn that the horse was unknown in
Arabia long after he was a common
factor in the life of southern Europe.
The horse was scarcely known to the
Hebrews prior to the days of Solo-
mon, that worthy and illustrious
sovereign having been brought into
closer contact with the horse by his
marriage to a daughter of Pharaoh,
the reigning king of Egypt, whose
gorgeous wedding outfit was suppl-
mented by a large number of elegant
horses, adapted alike to the service
of war and the chase.

The appearance of those beautiful
animals, as they sped swiftly along
the streets of Jerusalem, excited the
envy of a few jealous princes, but
added to Solomon's popularity with
the masses. After his marriage with
the Egyptian princess, Solomon be-
gan buying horses from his father-
in-law, and so rapidly did he multi-
ply them by purchase and breeding
that those kept for his own use re-
quired, as it is written, "4,000 stables
and 40,000 stalls."—Western Sports-

Cost of Alligator Leather.

Alligator leather is becoming dear
er nowadays, on account of the in-
creasing rarity of the animals. Good
hides are worth ten dollars each.
The teeth are of an excellent quality
of ivory, from which trinkets are
carved. Of late there has arrived a
fashion of making the skin of the
feet, with the claws attached, into
pocketbooks and hand satchels. The
leather has the great advantage of
being absolutely waterproof.

From glands in the lower jaw
musk is obtained. It is not of a very
good quality, but it serves as a basis
for certain perfumes. Oil obtained
from the fat is supposed to have
medicinal qualities. Hundreds of
thousands of years ago there were
crocodiles which measured as much
as fifty feet in length, but there are
no such giants in these days.—Wash-
ington Star.

Neurological.
Mr. George Polster, a well known
and highly respected citizen of this
city, died yesterday afternoon of a
recent attack of paralysis. The de-
ceased was 53 years of age, a native
German, who cast his lot among us
when but a boy and soon became
thoroughly identified with the interests
of the land of his adoption and will-
ingly shared her misfortunes. He
joined the Confederate army, under

and made a gallant soldier. He leaves
a devoted wife, five children and a large
circle of friends to mourn his death.
The funeral will take place from the
family residence, 505 North Ninth

ment at Oakwood cemetery.

For Sale—A Rare Bargain.

I have a complete set of abstract
books of the deed records of the city
of Waco and its suburbs, consisting
of thirteen large volumes, with ample
room to keep the records for twenty
years brought down to date. These
books I wish to sell and will let them
go at a bargain for cash, or I will trade
them for real estate in the city of
Waco. Not being able to get a suit-
able man to make out abstracts and
keep the books, and being unable to
give the necessary time to the books
myself, is my reason for wanting to
sell. If desired I can furnish desk
room and vault room for the books in
my office for the purchaser. This is a
splendid opportunity for a man to
start up a good business. The right
kind of a man can get a bargain, not
only in these abstract books, but in
city real estate. My list of bargains
cannot be equaled. Call and see me.
