MASS MEETING LOCKED.

## How a Hogg Man Lert It and What the Indications Were.

THE NEWS is in receipt of a letter from a gentleman in this county relating an amusing colloquy between himself and an ardent Hogg man who had been in attendance upon the mass meeting in Waco.

"A nice old gentleman returning from the mass meeting in Waco," says our correspondent, "stopped on the road to get a drink of water and while resting I engaged him in conversation."

"Have you just come from the Hogg mass meeting?" was asked.

"Yes, sir. There was a house full."

"What time did you leave Waco?"

"I left about 2 o'clock."

"Do you live in this county?"

"Yes, I live about four miles west of West Station."

"What were they doing when you left?"

"Well I think they were still speaking so far as I could learn. I think however that when I left the convention was about locked."

"Why you don't mean to say locked do you? It was only called by the Hogg men and I did not think there was anything to look."

"Well that is the way I got it, and I was there till 2 o'clock. The best I could learn was that the convention would be locked, or was already so, and that they were going to drop Clark and Hogg both and indorse McCulloch for governor."

The nice old gentleman looked very wise, and continued his jaunt homeward while our correspondent came very near falling in the well.

# Can't Cook as Mother Did!

How many a young wife's heart has been saddened by hearing the above remark! And yet how often the words are true; especially when cake, pastry or biscuit are in question! The reason is plain, yet it is "like telling a secret."

Our mothers used and are using Dr. Price's Cream Baking Powder. They cannot be misled into using any of the ammonia or alum powders. No dyspepsia no sallow complexions, when mother did the cooking.

The first symptoms of ammonia poisoning, says a New York paper, which appear among those who work in ammonia factories, is a discoloration of the nose and forehead. This gradually extends over the face until the complexion has a stained, blotched and unsightly appearance.

Dr. Price's Cream Baking Powder is the only pure cream of tartar powder that contains the whites of eggs.

Dr. Price's Cream Baking Powder is reported by all authorities as free from Ammonia, Alum, or any other adulterant. In fact the purity of this ideal powder has never been questioned.

## A GOOD MOVE.

# That is the kind of a move which is made by purchasers of our FINE FURNITURE AND CARPETS

For some reasons it's a better move than was ever made before. One very convincing reason is that not until now have we ever offered these goods at such figures. We have never felt that we could afford to do it and we don't feel that we can afford to do it now, but necessity knows no law and we are taking the bull by the horns. It's a poor rule that don't work both ways. What we didn't feel that we could offer, you certainly can't feel that you can afford to miss. Our goods are on the move and they must go, so don't miss this opportunity, but call at once and get our prices.

## THR LILLY WHITES.

# They Endorse Blaine--Vote for Anyone But the Democratic Nominee.

Pursuant to call, published in the daily papers for some time, the convention of "the re-organized Republican party" of the Seventh congressional district, assembled at the city hall yesterday afternoon. It was a convention of "lilly whites" and the dear colored brother was not in it at all.

The following delegates were present: J B Payne, R B Hayes, Geo O'Brien, C Deane, Robinson county; Dr A N Armstrong, L Sternkorb, A K Brown, Tom Wright, J C McCune, Dan Wise, W R McCulloch, J L Able, Hathaway, Brazos county; Geo Wiebush, D D Fairchild, H M Bryton. They represented the counties of Bell, Brazos, Falls, Limestone, McLennan, Milam and Robertson.

The purpose of the convention, as stated on the call, was to elect two delegates and two alternates to the National Republican convention to be held at Minneapolis; also to nominate one elector and a candidate for the house of representatives from the seventh congressional district.

The convention organized with H M Bryden permanent chairman, and R B Hayes secretary.

Dr A M Armstrong and J S Payne were elected national delegates to Minneapolis, and Louis Sternkorb and H M Bryden alternates. George A O'Brien was nominated presidential elector.

A resolution, offered by A K Brown endorsing J G Blaine, was adopted by a unanimous vote.

H M Bryden was elected chairman of the executive committee for the seventh district.

The resolutions adopted on the 12th and 13th ultimo at the mass convention of Republicans at Dallas were indorsed and adopted as a platform.

Dr A M Armstrong was elected chairman of the executive committee of the state senatorial district, composed of Falls and McLennan counties. Dan Wise was elected chairman of the McLennan county executive committee.

J W McCune offered a resolution which was adopted, that Republicans be allowed to vote for anyone they please outside of the regular Democratic nominee.

Weak Stomach strengthened by BEECHAM'S PILLS
