**The New Discovery.**  
 You have heard your friends and  
 neighbors talking about it. You may  
 yourself be one of the many who know  
 from personal experience just how  
 good a thing it is. If you have ever  
 tried it, you are one of its staunch  
 friends, because the wonderful thing  
 about it is, that when once given a  
 trial, Dr. King's New Discovery ever  
 after holds a place in the house. If  
 you have never used it and should be  
 afflicted with a cough, cold or any  
 Throat, Lung or Chest trouble, secure

**You Should Not Be Without It.**  
 Every family is liable to have he-  
 reditary taint of consumption in it.  
 It may date back three or four gen-  
 erations. This fact makes it neces-  
 sary always to have on hand a remedy  
 with which to combat this formidable  
 disease. A cough when taken at first  
 can readily be cured before it gets a  
 serious hold on the lungs. Ballard's  
 Horehound Syrup when taken in its  
 early stages will cure consumption.  
 It is guaranteed to bring relief in  
 every case, when used for any affec-  
 tion of the Throat, Lungs and Chest,  
 such as Consumption, Inflammation of  
 the Lungs, Bronchitis, Asthma,  
 Whooping Cough, etc. It is pleasant

**A TRICK EXPOSED.**

A Private Letter Mutilated and an  
 Extract Read

AS A CAMPAIGN CIRCULAR BY

Gov. Hogg—A Trick to Work up  
 More Prejudice Against the Rail-  
 roads—A Dangerous Method of  
 Campaigning that Breeds the  
 Rankest Socialism—Such Methods  
 The People Will Rebuke.

GALVESTON, May 27.—The pur-  
 ported circular, alleged to have been  
 issued by Mr C. O. Wheeler, general  
 manager of the Gulf, Colorado and  
 Santa Fe railway, advising employes  
 to take issue with the company  
 against the railway commission, and  
 which was injected into the campaign by  
 Governor Hogg in a recent speech and  
 adversely commented on by some pa-  
 pers, was never promulgated by Mr.  
 Wheeler.

What was posted upon the bulletin  
 board at San Angelo roundhouse was  
 an extract from a private letter, writ-  
 ten by Mr. Wheeler November 11,  
 1891, to Mr. J. Billingham, master  
 mechanic of this city, of which the  
 following is an exact copy:

GULF COLORADO AND SANTA FE CO  
 OFFICE OF GENERAL MANAGER  
 GALVESTON, Tex., Nov. 11, 1892.

Mr. J. Billingham, Master Mechanic, City.  
 DEAR SIR—With return of your  
 letter of November 4, with telegram  
 attached, from E. O'Keefe, I wish to  
 say it is impossible for us to make  
 a reduced rate to the engi-  
 neers from Copeville, as men-  
 tioned in your letter, from the fact  
 that the railroad commission, in is-  
 suing their different circulars, have  
 put us in that position where we are  
 unable to make reduced rates to any-  
 one, except as we do this upon our  
 own order, to move persons from one  
 point to another. Before the rail-  
 road commissioners took upon them-  
 selves the regulation of these matters,  
 we were very glad and willing at all  
 times to favor our employes in every  
 way possible, but the railroad com-  
 mission have taken this matter entire-  
 ly into their own hands, and so much  
 so that we have no discretion in the  
 matter. Otherwise I would be pleased  
 to accommodate them with employes,  
 rates the same as was done previ-  
 ously to the railroad commissioners regu-  
 lating this matter.

In this connection I wish to say  
 that it is the duty of everyone of our  
 employes, wherever it is done, to take  
 sides with their employers as against  
 the railroad commission. From the  
 fact that in the matter of  
 cotton alone the railroad com-  
 mission has reduced our earnings  
 \$100,000 per year and before they get  
 through reducing rates I am confident  
 that it will amount to, on all com-  
 modities, \$250,000 per year, and it is  
 in the interest of the employes, as well  
 as the officials in this and all other  
 companies in the state of Texas, to  
 take a decided stand as against the  
 railroad commission, and if possible  
 when there is a chance for another  
 election to do away with the powers  
 that they now have.

Yours truly,  
 C. O. WHEELER.  
 General Manager.

The date of this letter shows conclu-  
 sively that it was not written for cam-  
 paign effect. Mr. Wheeler, while  
 deprecating being brought into the  
 present campaign, declares most em-  
 phatically that he has issued no cir-  
 cular or instruction of any character to  
 the employes of his company as to  
 how they shall conduct themselves in  
 the present campaign. He recog-  
 nizes the fact they are free and inde-  
 pendent Americans, and expects each  
 and every one of them to exercise  
 their rights as such and vote their con-  
 viction.

In his private letter to Mr. Billin-  
 gham he simply called attention to  
 the effects the railway commission  
 were having on the earning capacity  
 of his company, as well as upon that  
 of other companies operating in the  
 state, and it was not intended to ef-  
 fect the candidacy of Governor Hogg,  
 as that was not thought of when the  
 latter was written. How the excerpt  
 became on the bulletin board at the  
 San Angelo roundhouse he did not  
 know, but deprecated its use as a  
 recent circular of his for campaign  
 purposes, when the facts did not war-  
 rant or justify such use.

Mr. Wheeler further stated that the  
 Gulf, Colorado and Santa Fe Railway  
 company, since its completion as a  
 railway, had not paid expenses, and if  
 any one doubted that fact he could  
 give them ample proof by calling at

his office, and that if it were not for  
 the aid it received from the Atchison,  
 Topeka and Santa Fe Railway compa-  
 ny, it would now be in litigation in  
 the courts. That during the fiscal  
 year beginning July 1, 1890, and  
 ending June 30 the road had expended  
 over \$1,000,000 in betterments alone,  
 this money being advanced by the  
 Atchison, Topeka and Santa Fe, and  
 until there was some radical change  
 in the present commission, and the  
 railways allowed more latitude in the  
 way of rates, the prospect for railways  
 in Texas were gloomy indeed.

**Y. M. C. A. ENTERTAINMENT.**

**Joint Entertainment of the Ladies'  
 Auxillary and Junior De-  
 partment Last  
 Night.**

That very effectual organization, the  
 Ladies' Auxillary to the Young Men's  
 Christian association, joined forces  
 with the Junior department of the  
 association in the entertainment for the  
 benefit of the Juniors. The entertain-  
 ment was one of the most successful  
 held at the rooms for a long time.  
 The crowd filled the rooms to over-  
 flowing. The following programme  
 was rendered:

- Instrumental solo—Miss Ruah Mathews.
- Recitation—Miss Hanrick.
- Vocal solo—Miss Lulu Johnson.
- Recitation—Miss Kendrick.
- Instrumental solo—Miss Myrtle Knapp.
- Instrumental duette—Misses Reiser.

The ladies served refreshments and  
 realized a very neat sum. The ladies  
 and juniors deserve great credit for  
 the style in which they managed the  
 affair.

**A RECITAL.**

**Why!**

Are my classes always made up of  
 our best business men and the sons of  
 our shrewdest and most practical  
 merchants?

Why do so many of my pupils hold  
 the highest office positions in Waco?  
 Because I teach book-keeping in  
 the most practical and advanced  
 methods and forms, and for the  
 reasonable sum of \$32 50 for a com-  
 plete course including books.

Because my lessons, two a week, are  
 at night and do not conflict with any  
 other business.

My next class starts July 5th. Ad-  
 dress or call on me at the Provident  
 National bank. EDWARD TOBY, JR.

A few of my pupils to whom I  
 refer: Rufus N. Williamson, book-  
 keeper, Moore Bros; Ed North, book-  
 keeper, Horsell & Cameron; Miles  
 C. Martin, book-keeper, Lewine Bros;  
 John Sinclair, assistant book-keeper,  
 Goldstein & Migel; Ernest McKinney,  
 book-keeper, Bell Water Co; Phillip  
 Burney, book-keeper, R. B. Parrott;  
 E. S. Tadlock, J. B. Nichols, Craw-  
 ford; Will Parker, Parker Bros; Pink  
 Wood, Waco Artesian Laundry;  
 Lenny Mayer, Waco State bank; W.  
 L. Halpike, First National bank; Ed  
 Stone, Brooks & Wallace; Geo. Mc-  
 Culloch, C. C. McCulloch; Will Look-  
 wood, Herbert, Little & Co; J. B.  
 Slevin, W. E. Dupree, Ike Sanger,  
 Sanger Bros; Asher Sanger, Sanger  
 Bros; and if space was free I could fill  
 up a column. Remember next class  
 starts Tuesday July 5th.

**CONSUMPTION!**

I have a positive remedy for the above disease  
 by its use thousands of cases of the worst kind  
 and of long standing have been cured. Indeed  
 so strong is my faith in its efficacy, that I will  
 send two bottles FREE, with a VALUABLE  
 TREATISE on this disease to any sufferer who  
 will send me their address and P. O. address.  
**T. A. SLOCUM, M. C., 181 Pearl St., N. Y.**

**Pears' Soap**

To keep the skin clean  
 is to wash the excretions  
 from it off; the skin takes  
 care of itself inside, if not  
 blocked outside.

To wash it often and  
 clean, without doing any  
 sort of violence to it, re-  
 quires a most gentle soap,  
 a soap with no free al-  
 kali in it.

Pears' is supposed to  
 be the only soap in the  
 world that has no alkali  
 in it.

All sorts of stores sell  
 it, especially druggists;  
 all sorts of people use it.

**The Only Practical Stereotype Out-  
 fit. Its Superior Advantages.**

It is simple, practical, cheap, cost-  
 ing, according to size, only from \$75  
 to \$150. It can be put anywhere,  
 occupying only the room of an ordinary  
 case stand. Through its various pat-  
 ented labor-saving devices it is  
 thoroughly endorsed by practical print-  
 ers, giving all kinds of results in cast-  
 ing and blocking, viz: Thin flat  
 plates, patent block plates, type-high  
 wooden core blocked or all metal  
 arched. Also, it gives the advantage  
 of casting and blocking at the same  
 operation, exact type high, exact  
 widths and exact lengths on and  
 around the late patented hollow sec-  
 tional ironcore method, the easiest,  
 the cheapest, quickest and best block-  
 ing in the world. Absolutely without  
 labor. The outfit dispenses with dan-  
 gerous, costly and complicated ma-  
 chinery, and with its Hot Water  
 Flashed Casting Box and Mould-  
 Dryer, it is utterly impossible to in-  
 jure type, and the very finest results  
 known to plate makers, stereotypin-  
 g or the art of printing is obtained.  
 Send for descriptive circulars, giving  
 full particulars and hundreds of volun-  
 teered testimonials from all parts of  
 this and other countries. M. J.  
 HUGHES & Co., Manufacturers Stereo-  
 type Outfits and Conical Sorew  
 Quoins, No. 18 Spruce St., New York,  
 N. Y.

N. B.—The same outfit will make  
 all kinds of Rubber Stamps.

**For Sale—A Rare Bargain.**

I have a complete set of abstract  
 books of the deed records of the city  
 of Waco and its suburbs, consisting  
 of thirteen large volumes, with ample  
 room to keep the records for twenty  
 years brought down to date. These  
 books I wish to sell and will let them  
 go at a bargain for cash, or I will trade  
 them for real estate in the city of  
 Waco. Not being able to get a suit-  
 able man to make out abstracts and  
 keep the books, and being unable to  
 give the necessary time to the books  
 myself, is my reason for wanting to  
 sell. If desired I can furnish desk  
 room and vault room for the books in  
 my office for the purchaser. This is a  
 splendid opportunity for a man to  
 start up a good business. The right  
 kind of a man can get a bargain, not  
 only in these abstract books, but in  
 city real estate. My list of bargains  
 cannot be equalled. Call and see me.
