## CABBAGE RECIPES BY UNCLE SAM

How to vary the preparation of cabbage from "plain boiled" is suggested by the United States Department of Agriculture in the following recipes:

**CABBAGE WITH SOUR SAUCE.** After taking off the outside leaves, remove tough stalk from a small head of cabbage, cut in quarters; soak in cold water and cook in boiling salted water in an

uncovered dish, adding one-fourth teaspoonful of soda. Cook slowly from 30 minutes to one hour, drain and serve with the following sour sauce:

Melt one tablespoonful each of butter or other fat, then add one tablespoon of flour and one-half cup of milk. Stir over the fire until hot and add one teaspoonful of made English mustard and two table-

spoonfuls of warm vinegar. Pour over hot cabbage. If preferred a plain cream cause can be used.

### SMOTHERED CABBAGE.

Cut fine one-half head of cabbage. Melt two level tablespoonfuls of butter or other fat in a pan and stir in two level tablespoonfuls of flour. Add the cabbage, one cup of sweet milk, one tablespoonful salt and one-eighth teaspoonful pepper. Cover closely and simmer slowly 30 minutes.

### CABBAGE PUDDING.

Shred the head of cabbage closely and cook in salted water until tender. Drain

and place in buttered dish in layers with sprinkling of grated cheese between. To two level tablespoonfuls of melted butter or other fat add two tablespoonfuls flour, add a cup of milk, yolks of two eggs, one teaspoon salt and one-half teaspoonful of mustard. Stir over fire until it boils, then add beaten whites of eggs. Pour over cabbage, mix well and bake one hour.

### STUFFED CABBAGE.

Remove coarse outer leaves and core. Parboil for three minutes. Fill core and inside of each leaf with finely chopped left over meat (raw meat is best), or sausage. Tie securely in cheese cloth. Place in kettle with two or three carrots and onions. Cover with stock, and let simmer slowly two hours or until tender.

### COLD SLAW.

Slice a small cabbage very finely. Soak in cold water until crisp. Drain and dry between towels and mix with cream salad dressing. It will improve the dressing to add to it a very little curry powder.

### COSTS MORE TO LIVE IN GOTHAM.

NEW YORK, Oct. 2.—The New York flat dweller, whether he lives in an uptown apartment or a downtown tenement, is likely to receive another strong reminder of the high cost of living when he pays his October rent. Rents in hundreds of apartment houses throughout the city have been raised from 8 to 15 per cent, beginning with the present month and in some cases the increase will mount to as high as 25 per cent. The high price of coal and greatly increased cost of apartment house maintenance are given as the answer.

### WHY NOT EAT CHEESE?

BERNE, Switzerland, Oct. 2.—The Swiss have long since learned that the people of the belligerent countries are not the only war sufferers. They are due to be further impressed with the fact today, which is the date fixed by the federal council for the introduction of the bread card system throughout the confederation. Hereafter the daily consumption of bread is to be limited to 250 grammes per person plus 500 grammes of flour monthly. Even biscuits and cakes will not be obtainable without bread cards.
