## GREAT EXCITEMENT IN MATAMOROS

OVER ILL TREATMENT OF LADY  
BY CUSTOMS OFFICIAL.

Wife of Col. Camacho Arrested and Roughly Handled by Supervisor of Customs Guard—Mass Meeting Causes Arrest of Offending Official.

Protesting against the ill-treatment of Senora Eloisa Martinez de Camacho an officer of the Mexican guards, 500 citizens of Matamoros yesterday afternoon at 4 o'clock paraded the streets of that city, calling upon the city officials to wreak vengeance upon the man.

The beginning of the trouble was some two weeks ago at which time customs officers searched Miss Clotilde Martinez, a sister of Mrs. Camacho's when Miss Martinez was returning from Brownsville to Matamoros. Mrs. Camacho took exception to the treatment of her sister, and, when passing Viviano Saldivar, chief of the customs guards, on the streets of Matamoros, Friday morning, made a remark which Saldivar resented.

Saldivar called upon an officer to arrest Mrs. Camacho, who resisted the efforts of the policeman to place her in prison. Saldivar went to the aid of the policeman and in the scuffle Mrs. Camacho was roughly handled, her waist being torn from her and her clothes otherwise rent. She was released from prison later the same day.

The arrest of Mrs. Camacho caused great indignation. All day Saturday the people of Matamoros were up in arms in resentment of the officer's treatment of the women. Statements were issued by prominent citizens, condemning his action and the matter finally ended Sunday in a call upon the citizens to meet and parade the streets, demanding that the officials arrest Saldivar.

The crowd gathered at 4 p. m. on the plaza in front of the municipal palace and its spokesman explained to Judge Guzman the purpose of the meeting. He was answered in a short address by the judge, who said, amid cheering by the crowd that the city officials were as indignant against the treatment of Mrs. Camacho as were the citizens. The crowd then repaired to the residence of Mayor Pumaréjo, and at that place they were addressed by the mayor. Martinez Espinoza and Dr. G. Cicero, the latter having taken a lead in the movement to have Saldivar punished. All appeared in full sympathy with the demand of the populace.

Not yet satisfied the mob returned to the plaza and demanded the arrest of Saldivar who had taken refuge in the custom house. About 6:30 the people attempted to enter the custom house, to seize the man, but Saldivar was taken in charge by officers and conveyed to the garrison, where he is now held a prisoner.

After being informed that the man had been taken in charge and that he would be given an early trial, the mob quietly dispersed, and last night there was nothing in evidence on the plaza except the usual Sunday night crowd.

Much excitement prevailed for a short time. This was increased by the discharge of the rifle of one of the rurales, which was found, however, to have been accidental. The shot passed through the neck of the soldier's horse, killing the animal.

Mrs. Camacho is a member of a prominent Mexican family, her husband being Col. Jose Camacho an officer in the Federal Army. Col. Camacho is at present in Mexico City on some special detail. He has been informed of the trouble in Matamoros and is expected in that city at any time.

## CALLED CONVENTION FOR THIRD PARTY

WILL ASSEMBLE IN CHICAGO  
AUGUST FIFTH.

Addressed to "People of the United States Who Are in Sympathy with the Progressive Movement." Promulgated by Senator Dixon.

Associated Press.

New York, July 7.—The call to the people of the United States who are in sympathy with the "National Progressive Movement" to send delegates to the national convention to open in Chicago on the fifth day of August was made public today by Senator Jas. M. Dixon, of Montana, Roosevelt's campaign manager. It was signed by members of the committee which was chosen at the meeting in Chicago.

It also includes the signatures of Roosevelt's supporters in forty states. "As for the missing eight states," said Dixon commenting, most of them will probably send delegates, although they have not taken part in the call. Maine, for instance, postponed definite action because there is now a strong fight on in primaries with sympathy running in favor of the progressive movement." Delaware, North Carolina, Arkansas and Nevada will probably take part in the convention.

Mississippi and South Carolina will possibly be unrepresented.

The call lays down no rules as to the methods of choosing delegates, since each state will be expected to select delegates by its own paraphernalia. The representatives will be cut to half that of the previous conventions." The call is addressed to the "people of the United States, without regard to past political differences, who, through repeated betrayals, realize today the power of crooked political bosses and privileged classes behind them so strong in the old party organizations that no helpful movement in the real interest of our country can come out of either."

According to the terms of the call each state shall send a "number of delegates whose vote in the convention shall count for as many votes as the state shall have senators and representatives in congress, to meet in Chicago, August fifth, for the purpose of nominating candidates to be supported for the positions of president and vice-president of the United States." The names signed include Cecil A. Lyons, of Texas; Geo. L. Priestley, of Oklahoma; Ben B. Lindsey of Colorado; Dwight B. Heard of Arizona; Medill McCormick, of Illinois; Pearl Wight, of Louisiana; C. J. Bonaparte, of Maryland; Matthew Hale, of Massachusetts; Milton D. Purdy of Minnesota; J. Franklin Fort of New Jersey; George Chry of New Mexico; Oscar S. Straus and Timothy L. Woodruff of New York; James R. Garfield of Ohio; Gifford Pinchot and W. M. Flynn of Pennsylvania; L. T. Vessey, South Dakota and Miles Poindester of Washington; Julius Harris of Atlanta, Georgia, son of Joel Chandler Harris and John M. Parker of New Orleans, both democrats are also among the signers.

## WILL NOT MEET WITH COMMITTEE

WILSON THINKS HIS PRESENCE  
NOT NEEDED.

Nominee Will Confer with Wilson and Clark Soon. Leading a Busy Life. Accumulation of Ten Thousand Letters in His Office.

Associated Press.

Seagirt, N. J. July 7.—Gov. Wilson said tonight that he probably would not go to Chicago as he intended to do to attend the organization of the democratic national committee, July fifteenth. The promise given several days ago to attend, he said, was made under the impression that the presence of the nominee on such occasions was always required, but since then he has found that such is not the case. It is probably that Underwoods' invitation to confer with Wilson regarding legislation was the result of a meeting of the two some time soon. Wilson said he expected to meet both Underwood and Clark, but had no appointment. He plans a busy time for several days, answering about ten thousand letters accumulated in his offices.

## STRICT MEASURES TO PREVENT PLAGUE

ATLANTIC AND GULF PORTS  
STRICTLY GUARDED.

Government Prescribes Strict Quarantine Measures. Ships Must Be Fumigated. War of Extermination Against Rats in Ports.

Associated Press.

Washington, July 7.—Every Atlantic and Gulf port today is enforcing strict precautions against the spread of the bubonic plague into this country. Surgeon General Blue telegraphed orders to twelve ports, including Galveston, New Orleans and Pensacola.

The authorities are directed to confer with the municipal health officers and urge the collection, examination and destruction of rats, especially on the water front, in view of conditions resulting in the plague outbreak in Havana and Porto Rico. Many rats were reported dying on the streets of Havana today.

All vessels bound from Havana to the United States have been ordered to be thoroughly fumigated before sailing. Immediately after the discharge of cargoes, rats are to be destroyed and boats are prohibited from going to or lying at docks or wharves there. No crews are to be shipped in Havana and no shore liberty will be allowed there.

All passengers at Havana have to be certified individually before their departure to this country. If any have resided in the infected districts seven days they will be detained seven more in Trisconia, the old detention camp near Havana.

Key West and New Orleans will carefully inspect passengers and crews and take precaution to prevent rats gaining the shore.
