

## RHODE ISLAND'S JULY 4

Was Celebrated as an Official Holiday Today Throughout the State. Salutes Were Fired.

(Herald Special.)

Providence, R. I., May 4.—The anniversary of Rhode Island's declaration of independence, which the local historians claim antedated by two months the general Declaration of Independence of the thirteen colonies, was celebrated as an official holiday today throughout the state. Rhode Island claims the distinction of having been the first of the original thirteen colonies to renounce the sovereignty of Great Britain. According to the historical records it was on May 4, 1776, exactly two months before the Declaration of Independence was signed at Philadelphia, that the members of the general assembly of the Colony of Rhode Island and the Providence Plantations took the first steps toward a stand against English rule in the shape of a formal renunciation of allegiance to the British crown.

Two years ago the legislature declared for the observance of the anniversary as a public holiday throughout the state. Today's celebration consisted of patriotic exercises in the public schools and historical exercises in the hall of the old state house in this city, where the declaration of independence was signed 135 years ago by the statesmen of Rhode Island. In further observance of the anniversary a salute of thirteen guns was fired at noon in Providence, Newport, Bristol and other cities.

### WESTON MAKES A RECORD.

Completes Ocean to Ocean Journey in Seventy-Seven Walking Days.

New York, May 2.—Cutting his way through a mass of twenty thousand cheering people, his white locks bared to the breeze and his shuffling feet keeping time to the strains of the "Star Spangled Banner," Edward Payson Weston today brought to a termination his ocean to ocean walk. He ascended the steps of the city hall at 3:10 p. m., completing the transcontinental journey of 3,483 miles in seventy-seven walking days, a feat without parallel in the annals of pedestrianism.

The grizzled athlete was welcomed by Mayor Gaynor, who presented him with a purse of \$400 hurriedly realized by a handful of his admirers in the last hours of his walk. He has received hundreds of offers from vaudeville managers who wish to exhibit him as a physical wonder, but though in modest circumstances, Weston has declined them all.

It was with difficulty that Weston found voice to thank the mayor for his words of greeting. "I wanted to show the youngsters what an old athlete of 72 years could do," he said.

He was presented with a gold championship belt by President P. T. Powers of the Eastern Baseball League. It is the famous six-day golf championship belt won by Dineen and Cavanaugh in 1902 and 1903, respectively.
